CHRISTIANS MUST ACCEPT JESUS CHRIST SAYS GENERAL

"We must do Christian things, not just talk about them," Gen. Willard S. Paul, president of Gettysburg College, told members of the Women's Christian Fellowship of the Gettysburg Presbyterian Church at a dinner meeting at the church Wednesday evening when men of the congregation were special guests. About 125 attended.

Speaking on the theme, "Christian Leadership," General Paul said:

"Let me start out by stating the obvious — to exert Christian leadership we must first be Christians. . . . To me being a Christian means more than just being good or joining the church. It means that in addition to these we must fully accept Jesus Christ as savior and Lord; we must acknowledge that our lives are not what they should be, admit our faults, seek forgiveness and through study and prayer meet every problem, relationship, temptation and opportunity in a Christ-like manner.

Influence For Good

"We must do Christian things, not just talk about them. Anyone having taken these steps can by example profoundly affect his community. Not so much by being against things, like communism or moral laxity, but by the stand for things. Once dedicated to Christian living, once it is demonstrated publicly, without quibbling, that you believe Christ's way is the right way, you become a powerful influence for good in your community.

"When communities no longer show moral laxity, so often found in business, in government and in daily living, then the nation becomes stronger — stronger in leadership because people have had the courage to be for something — in this case, decent Christian living. This has been so well and forcefully demonstrated in this country since our neighbor, and a worshiper in this church, has taken office as President of the United States. The entire moral tone, not only in Washington, but the entire nation has changed for the better.

"One Meets God"

"Christianity, faith in God and loyalty to high ideals cannot be generated by legislation or edict. Such things must start at the grass roots — within the people as individuals. It is there one meets God. With the opportunity so ripe for dynamic Christian leadership, we Christian laymen must provide it."

Introduce Special Guests

The invocation and benediction were given by the Rev. Robert A. MacAskill, pastor of the church. Mrs. Paul W. Grove, vice president of the Women's Christian Fellowship, presided during the evening. The speaker was introduced by Mrs. M. Scott Moorhead, program chairman.

Special guests introduced included the Rev. Harry S. Ecker, retired pastor of the Lower Marsh Creek Presbyterian Church, and Mrs. Ecker and the Rev. and Mrs. Edward El-

Judge Addresses Nurse Graduates

Judge W. C. Sheely presented the address at graduation exercises for the 23 members of the Class of 1957 of the Germantown Dispensary and Hospital School of Nursing Tuesday evening at Trinity Lutheran Church in Philadelphia.

Among the graduates was Miss Joan Anderson, daughter of Mr. and Mrs. D. M. Anderson, Abbotstown R. D. Mr. Anderson is probation officer for Adams County. Miss Anderson, who will become associated with the Polyclinic Hospital in Harrisburg, received an award in surgery from Dr. S. Dana Weeder, director of the department of surgery at the hospital. For the first two years she served as vice president of the student council and in her senior year was president of her class. Her parents attended the exercises.

Another member of the graduating class was Miss Tonya Slaughter, of Haddon Heights, N. J., whose mother was the former Doris Plank of Table Rock. Her grandfather, Luther Plank, and her aunt, Miss Gladys Plank, both of Table Rock, attended the exercises.

TREATED AT HOSPITAL

Paul Spicer, 53, New Oxford R. 2, was treated at the Warner Hospital for an injury to his right ring finger.

Gene Bechtel, 16, son of Mr. and Mrs. Clarence Bechtel, Westminster R. 2, was treated for an injury to his left arm sustained while playing football at Littlestown High School where he is a student.

Mother Has Her 12th Daughter

MORRISTOWN, N. J. (AP)—Mrs. Raymond Beston gave birth to her 12th daughter yesterday—a medical rarity. She has no sons.

Doctors said the chances of having 12 of a kind are "slimmer than slim."

The 41-year-old mother and her husband, a nightwatchman at the Morris County Courthouse, wanted a girl. "We wouldn't know what to do with a boy," she told a reporter.

The Bestons have 11 daughters. The third child died at birth.

The latest arrival, weighing in a Morristown Memorial Hospital at 8 pounds, 2½ ounces, was named Madona Grace. Mother and baby are fine.

At the Beston home, meanwhile, papa was too busy to get to the hospital. He was changing diapers.

H. C. GILBERT JR. DIES SUDDENLY THIS MORNING

Harry C. Gilbert Jr., 39, Westbrook Park, Clifton Heights, died this morning at 10:30 o'clock in a Philadelphia hospital.

A native of Gettysburg, son of Mr. and Mrs. Harry C. Gilbert, Chambersburg, Pa., he had been at work Wednesday afternoon at the Philadelphia Refinery technical laboratory of the Gulf Refining Co. when he suddenly fell to the floor. He was removed to the hospital where he was found to have suffered a vascular cerebral hemorrhage. Physicians worked through the night to lower a temperature which reached 108 degrees, but death occurred this morning before brain surgeons could perform an operation.

Local Graduate

He is a graduate of Gettysburg High School with the class of 1936 and had been employed by the Gulf Refining Co. in the Philadelphia area since, with the exception of a period of duty with the Army during World War II.

Surviving are his wife, the former Dorothy Plank; a son, Harry C. Gilbert III; his parents, and these brothers and sisters: Mrs. William Fortune, Philadelphia; Mrs. Ray Hoffman, Gettysburg; Lloyd Gilbert, Gettysburg; Mrs. Ralph Shadler, Harrisburg; Mrs. Thomas Mahalik, Harrisburg; Albert Gilbert, Irwin Pa., and Russell Gilbert, Biglerville.

Funeral arrangements are incomplete.

Injured Woman Is "Satisfactory"

Mrs. Raymond Slothour, 16, of 38 E. Middle St., an expectant mother is in "satisfactory" condition today according to the Warner Hospital. Mrs. Slothour was admitted Wednesday morning after she was struck down by a hit-and-run driver of a stake-body Ford pickup truck as she was walking east in the alley north of York St. near the Gettysburg Furniture Factory.

Borough police said this morning that the search for the dark green Ford truck with white trim is continuing.

Mrs. Slothour suffered contusions and abrasions of the arms and legs after he was struck by the truck.

Rich, Stormy Figure In New York Politics Shoots Self

NEW YORK (AP)—Clendenin J. Ryan, 50-year-old millionaire reformer and stormy figure in New York politics in recent years, shot and killed himself today at his Manhattan home.

Police said he took his life with an automatic pistol.

Ryan's wife, Jean, told officers that while she was in her bedroom about 7:30 a.m. she heard a noise but didn't know what it was. About 10 minutes later, she said, she went to the bathroom and found her husband shot. The Ryan home is at 32 E. 70th St.

Police found a note and two sealed envelopes, one addressed to his wife. Their contents were not immediately divulged.

Ryan was a grandson of the financier Thomas Fortune Ryan and inherited part of the financier's \$141-million-dollar estate.

PRODUCTION OF APPLE SAUCE AT CHM EXPANDED

The opening of The C. H. Musselman Company's Gardner's plant on Tuesday and the addition of a second shift at the Inwood, West Virginia, plant on September 5 place into production all the company's apple sauce manufacturing facilities this year.

Early season production at both plants will be on apple-raspberry sauce, one of the company's newer products. Short supply and unusual consumer demand have placed this new fruit-blended sauce at the head of the operating list.

The Biglerville plant, producing sliced apples, apple pie filling, frozen apple slices, and apple butter, is scheduled to start its seasonal operations next week.

Due to unsettled marketing conditions, no formal price announcement has been made to date. Company representatives are informing growers of prices at time of delivery or by telephone.

Second Shift Next Week

For the first time in the history of the Gardner's plant, this season's apple sauce manufacturing schedule will include a second shift starting next week. The added production is planned to alleviate an increasing number of grower problems during harvesting season. It will speed up the flow of apples from orchard to plant, thus improving grades and eliminating extra handling costs; decrease truck and driver waiting time; and lessen risks from late fall wind storms and freezing weather.

Also, it recognizes the growing transient labor problem of apple pickers—demanding full picking schedules and shorter seasons.

Employing only local workers, operations at the three plants will provide employment for approximately 1,700 additional people during the fall season. All shifts will again operate on a basic 40-hour week with payment of time and one-half for all work in excess of 40 hours. This schedule waives the company's privilege of eliminating payment of time and one-half during a 14-week exemption period permitted under Federal Law to processors of perishable fruit and vegetable products.

Pre-season surveys by Musselman fieldmen in all areas indicate concern over an excessive number of under-sized apples brought about by the prolonged drought period. Latest crop estimates for the four-state Appalachian Area show reductions due to lack of rainfall as high as 25 per cent over earlier predictions.

John V. Coleman's Condition Is Good

John V. Coleman, 19, son of Dr. and Mrs. J. Walter Coleman, Emmitsburg Rd., was reported in "good" condition at the Warner Hospital today ten days after he was critically hurt in an auto accident on the Lincoln Highway eight miles west of here which claimed the lives of two companions.

This morning the fracture of his facial bone was reduced by physicians, who reported that "everything is working out as well as can be expected, if not a little better than that." Because of his many injuries it may "be a year until he achieves complete recovery," physicians said. Rumors had been rife at the time of the accident that the youth's left leg, badly mangled in the accident, might be lost. Physicians said "there never was any question that the leg would be all right. It was only a question of the time for healing."

SERVES IN ALASKA

Bruce Anderson, son of Mr. and Mrs. D. M. Anderson, Abbotstown R. D., is temporarily stationed in Alaska with the U. S. Air Force. His home base is Tucson, Arizona. Young Anderson was recently promoted to airman first class. His father is the probation officer of Adams County.

President Will Confer With Arkansas Governor On Tense School Issue In Little Rock

By THE ASSOCIATED PRESS

The federal-state deadlock over school integration in Little Rock, Ark., will be discussed tomorrow or Saturday when Gov. Orval E. Faubus of Arkansas and President Eisenhower hold a dramatic face-to-face meeting at Newport, R.I.

The unusual session was arranged yesterday during a day marked by sporadic violence and a general lessening of tension in Southern localities where efforts to mix the races in classrooms have roused bitter feelings.

Faubus asked for the meeting in a telegram and Eisenhower accepted immediately. The talks may help decide the future of public school integration in the South.

Called Out Guard

The struggle between the federal government and Arkansas arose after Faubus called out the National Guard Sept. 2 to prevent violence and to keep Negroes out of Little Rock's Central High School. A federal judge ordered the governor to show why the troops should not be removed and set Sept. 20 as the date for a hearing on a temporary injunction.

MEDICAL AID FOR PERSONS ON RELIEF JUMPS

Adams County's assistance board provided \$28,295 for medical and dental care of 2,410 persons receiving assistance during the year, according to a report presented Wednesday evening by Mrs. Verna Myers, director of assistance, to the board at its meeting in the assistance offices on N. Washington St. The report showed the amount to be about \$5,000 more than the similar expenditure during 1956.

A total of 4,049 prescriptions were filled at a cost of \$12,215. Dental care cost \$1,863 and physicians received \$13,232.04 for their services. The average cost per patient per month was \$11.74. The average cost per recipient of assistance was \$2.68 per month.

Fewer Cases, More People

Mrs. Myers told the board that much of the care was for older persons on assistance who needed in some instances constant treatment for such diseases as arthritis.

A report on the case load showed nine less cases but 40 more persons receiving assistance than at the same time a year ago. There are currently 489 assistance cases providing aid to 878 persons compared to 498 cases a year ago, involving 838 people.

At the present time there are 206 old age cases providing aid for 213 persons; 100 blind pensions; 103 cases involving 461 persons receiving aid to dependent children, 59 general assistance cases aiding 59 persons and 41 aids to disabled, involving 45 persons.

To Attend Hearing

Mrs. Myers was authorized by the board to attend a special course on the "Fundamentals of Human Be-

Donna Wicker Has Enrolled At PSU

Miss Donna Wicker, 248 S. Washington St., daughter of Mrs. Dorothy Stanton Carter, will receive a \$400 a year grant from the Pennsylvania State Elks Association instead of \$200 as was previously stated in a story concerning the award of scholarships to two local young women. Miss Wicker was a member of the National Society at Gettysburg High School.

She enrolled this week as a medical technology student at Pennsylvania State University, State College, Pa.

BIRTH RATE IS SOARING HERE TO NEW RECORD

The birth rate for the Gettysburg district in 1957 may set an all time record according to figures released for the first eight months by the registrar of vital statistics for the Gettysburg and Cumberland, Straban, Freedom and Highland Twp. districts.

With 104 births listed during August, the total in the district for the first eight months of this year rose to 766.

That figure compares with 700 births during the first eight months of 1955 which with 1,061 births during the year set the all-time record for births in the district in a single year.

Deaths Up Too

This year's 766 births so far compares also to 684 births during the comparable first eight months of 1956.

The record shows 57 male and 46 female infants born in Gettysburg during August. There were 12 male and two female deaths in the borough during the same period.

One female birth was listed in Cumberland where three males and a female died during the month. Straban, Freedom and Highland reported no births. One female death was listed for Straban, none for the other two townships.

The 19 deaths during August compares to 17 deaths during August a year ago. The 170 deaths in the Gettysburg district since the beginning of the year compares to 154 deaths in the first eight months of 1956.

Two of six Negroes turned back from the white high school at North Little Rock enrolled at a Negro school there. A Negro minister who accompanied the six to the white school Monday said the other four also probably would go to the Negro school.

Spat On Girl At Charlotte, N.C., 15-year-old Dorothy Counts, the only Negro pupil in white Harding High School, reported she was spat upon and hit by objects thrown by other pupils. Police Chief Frank Littlejohn ordered an investigation.

At Mayfield, Ky., police dispersed a milling crowd of white pupils who assembled in front of Mayfield High School as 14 Negroes attended classes.

NEW OXFORD YOUTHS Will Attend Game

Approximately 90 to 100 players of New Oxford's seven Little League ball teams will be guests of the Baltimore Orioles when they play Detroit on Saturday. The New Oxford Lions Club is sponsoring the two-bus trip.

The Little Leaguers will meet in uniform at the New Oxford High School at 10:15 o'clock Saturday morning for departure about 10:30 o'clock. Managers of the teams will supervise the trip.

1,000 Perish In Flash Floods In Seven Villages In Turkey

ANKARA, Turkey (AP)—Turkish newspapers said today 1,000 persons died in flash floods which swept through the crooked streets of seven villages on the outskirts of this capital yesterday. But the official death toll remained at 14—the number of bodies which rescue workers have recovered.

In some areas the flood wave reached 90 feet as water from cloudbursts rushed down narrow valleys from barren mountain slopes. Rescue teams groped through the muddy rains, seeking

Mumper Services Conducted Today

GENERAL PAUL TELLS CLUB OF EXPANSION AT LOCAL SCHOOL

"The Woman's League of Gettysburg College has played and is playing an important role in the building program of the college," Gen. Willard S. Paul, president of the college, told the Women's Club of Gettysburg at a luncheon Wednesday afternoon in Hotel Gettysburg.

"Many of you have helped with projects of the Woman's League. The tireless energy and devoted belief in the future of our college and its young men and women make up the cornerstone of the Gettysburg League."

"The campus is a living memorial of the faith of women, who for over 45 years have given buildings, furnishings, choir robes, hymnals, a magnificent chapel organ and numerous other things to Gettysburg. Believe me the college never underestimates the power of women. We have concrete evidence to the contrary."

Huge Building Program

Speaking of the present building program at the college, Gen. Paul said, "We will occupy two new men's dormitories this month. Then the contractor on that job will finish our new dining hall and the renovations of Huber Hall."

"We have a new project just starting: To build three additional dormitories—two for women and one for men. Then in process of final negotiation is a student union building. This will cost nearly one and one-half million dollars. On the architect's drawing board are faculty apartments to be followed by a new infirmary. This will come to about four and one-half million dollars, all to be financed by government loans—of which we now have \$3.6 million."

"Beyond this we have a need for another three and one-half million which must come from private giving. This will provide the facilities which do not amortize themselves — classroom building, fieldhouse, administrative, museum, and an addition to our library."

Cites Honor System

"We haven't forgotten the other facets of our educational job. We are restudying our curriculum, our course offering and giving greater emphasis to educational extra-curricular activities. We want a better and more stimulating lecture and concert series," Gen. Paul said.

He spoke of the new honor system as evidence of more self government.

Prayer And Therapy Sessions On Friday

Two sessions on prayer and spiritual therapy will be held Friday at St. James Lutheran Church, the Rev. Dr. Paul L. Reaser, pastor.

Mrs. Phyllis Learmont, author of several religious works under the pen name of Mary Light, will conduct the sessions. The first will be held at 2 p.m. The Rev. Dr. Harvey D. Hoover, former professor at the Lutheran Theological Seminary here, will read the scripture and offer the prayer.

The second session will be held in the Senior Department room of the church at 7:30 p.m. Opening devotions will be conducted by the pastor.

Mary Light has had many years of experience in religious counseling and therapy and is considered an authority in the fields of prayer and meditation. She spent 19 years in the Argentine and is author of "Signs and Wonders," "The Joy of the Lord," and "The Wonder of God."

The public is invited to both sessions.

FIREMEN PLAN EVENTS WEEK OF OCTOBER 6

Plans for an extensive program during Fire Prevention Week, October 6 through 12, were outlined Wednesday evening at a meeting of the Gettysburg Fire Department at the former CCC Camp on W. Confederate Ave.

Fire Chief Donald W. McSherry will be in general charge of arrangements for the week's activities which will include displays of the company's equipment and other fire fighting equipment in Lincoln Square; the showing of movies on fire prevention at the square and before various organizations and groups.

Among the special nights considered is an "Old Timers' Night" during which retired members of the company will be on hand to describe fire prevention methods and explain details of equipment displayed.

See Anniversary Film

Special demonstrations and activities will be conducted nightly during the week to interest the public generally in fire prevention, according to plans outlined Wednesday night.

A meeting of a steering committee with Chief McSherry and President Harold Culp will be held at the engine house next Wednesday evening to develop plans for the Fire Prevention Week programs.

Motion pictures made by Walter B. Lane of the July 4th parade and events at the Recreation Field during the 94th Battle Anniversary were shown. The films will be available during the winter months to local organizations which may wish to see them, and will be used for publicity in connection with the 95th Battle Anniversary.

The annual public turkey party will be held by the firemen November 22 at 8 p.m. at the engine house, Chester Small, chairman of the committee, announced.

Delegate Chosen

Eugene "Bim" Miller was elected a delegate to attend the state firemen's association convention in October to replace Robert Redding who withdrew because of inability to attend the session.

C. William Zhea and Glenn Harner were named as members of a CCC camp committee to be responsible for such maintenance and upkeep as required in connection with firemen's use of the former camp building.

Robert Hartman, chairman of the 95th Battle Anniversary Committee, told of the start of plans for next year's observance of the anniversary.

Raymond Menges reported on plans of the Moose lodge to consider purchase of a new plastic "iron lung" to replace the metal "iron lung" presented the firemen by the Moose some years ago.

Paul B. Fox was named chairman of the refreshment committee for the October meeting of the firemen.

MRS. LAMONT, 91, DIES WEDNESDAY

Mrs. Elizabeth Lamont, 91, died at her home, Gettysburg R. 1, along the Littlestown Rd. Wednesday evening at 8:30 o'clock. She had suffered a stroke last Saturday and had been bedfast for a week.

A native of Pittsburgh, she was a daughter of the late Andrew and Mary (Richenacker) Boehm and had resided in the county for the last 30 years. Her husband, James C. Lamont, died March 7, 1956.

She was a member of St. Peter's German Lutheran Church, Pittsburgh.

Surviving are five children: Miss Betty Lamont and Jack Lamont, operators of the Battifield swimming pool, both at home; Mrs. Joseph B. Garrity, Dundalk, Md.; Mrs. Samuel E. Whitmyre, Pittsburgh, and William A. Lamont, Crafton, Pa.

Also surviving are a sister, Mrs. George Vetter, Pittsburgh; ten grandchildren, nine great-grandchildren and one great-great-grandchild.

Funeral services Saturday morning at 11 o'clock from the Samson, Inc. Funeral Home, Pittsburgh, with interment in St. Peter's Lutheran Cemetery, Pittsburgh. Friends may call Friday at the funeral home in Pittsburgh from 10 a.m. to 10 p.m. and Saturday morning until the time of the service. The Bender Funeral Home, Carlisle St. is in charge of local arrangements.

TV QUOTES ARE DENOUNCED BY HAGERTY TODAY

By MARVIN L. ARROWSMITH
NEWPORT, R. I. (AP)—On orders from President Eisenhower, the White House today sharply denounced what it termed "radio and television comment" saying Arkansas Gov. Orval Faubus had "thrown in the sponge" in the school segregation crisis.

The criticism was voiced by James C. Hagerty, Eisenhower's press secretary, who told newsmen the President personally had directed him to hit at such reports.

Hagerty spoke out angrily at a news conference at the President's vacation headquarters here as Eisenhower awaited word from Faubus fixing the time for their meeting here.

Hagerty was angry in an obviously angry mood when he started today's news conference.

He said he and the President had been "listening to some radio and television comment" on the Faubus proposal.

He said he and Eisenhower had heard "White House aides" being quoted on radio and television as saying Faubus was "throwing in the sponge."

Hagerty went on to say they also had heard "a great deal of other junk" on the air.

He did not identify the TV and radio newscasts.

Hagerty said there are only three White House aides with the President at his vacation headquarters. He named them as Capt. E. P. Aurand, Eisenhower's naval aide; Wayne Hawks, chief of White House records; and himself.

Asks Publication

"I think all of you gentlemen know that none of us have made any such statements like that," Hagerty said, referring to the comment he said he had heard on the air.

"We have deliberately refrained from making any such remarks and any such reports are completely untrue. There is no one on the White House staff in Newport talking that way and I think you gentlemen and ladies know it."

"And I would appreciate it—and so would the President—if you would carry these remarks of mine in full."

HOLD RECEPTION FOR SEMINARIANS

The Lutheran Theological Seminary faculty's annual reception for students was held Wednesday evening at 7:30 o'clock in the social room of the administration building. Dr. Harry F. Baughman, president of the seminary, gave the address of welcome on behalf of the faculty and administration. About 150 students and their wives were in attendance.

Special note was taken of the presence of Dr. John Aberly, former president of the seminary; Dr. R. T. Stamm, professor of New Testament; Dr. Harvey D. Hoover, professor emeritus of practical theology; and the Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church.

Vocal solos were presented by Paul Schmidt, a second year student at the seminary, accompanied by Mrs. J. W. Heikinen. Fred Shilling, president of the student body, also welcomed the new students. The response was given by Jerome VanBrakle, a member of the Junior class. After the program, refreshments were served by the faculty wives.

HUCK FINN OUT AS "TEXTBOOK"

NEW YORK (AP)—Mark Twain's "The Adventures of Huckleberry Finn" no longer is on the approved textbook list for elementary and junior high schools. Miss Ethel Huggard, associate school superintendent in charge of curriculum development, confirmed yesterday that three textbook contracts for the book had not been renewed in the past two years.

"Huckleberry Finn" has been criticized by some Negroes as racially offensive. A spokesman for the National Assn. for the Advancement of Colored People said yesterday he was unaware of any organized protest against the book. However, he said, the NAACP strongly objected to "racial slurs" in Twain's works.

Miss Huggard denied that the book was dropped because it contained passages derogatory to Negroes. It was felt the story was really not a textbook, she said, adding that those pupils wanting to read it could obtain copies in the school libraries.

The work still is distributed as a textbook in the city high schools.

Schedule 3 Road Resurfacing Jobs

Clyde O. Garber, superintendent of highways, said today the present project of the department is the resurfacing of four and one-half miles on Legislative Route 61014 between Kingsdale and Harney, Md. He said the road will be closed except to local traffic and that the job will take approximately 14 days. The resurfacing will be done with CP-2 bituminous material.

Garber said the next project will be the surfacing of one and one-half miles of Legislative Route 01068 near Mt. Rock or Centennial. "It should take only a few days," he said.

Another project is the resurfacing of one and one-half miles of Legislative Route 01008 near Hampton.

Symbols for the painting of traffic lanes on Lincoln Highway east of Gettysburg have been placed but the department is waiting for the arrival of the painting machine from Franklin County.

Plan To Recharter Boy Scout Troop

Plans to recharter Boy Scout Troop No. 124, Hunterstown, were made at a meeting of the troop committee Tuesday evening. Boys wishing to become scouts and interested in joining the troop are asked to call Scoutmaster Monroe Miller.

A report showed that the scouts netted \$17.40 from a recent paper drive. Plans were made for a scrap iron drive on Saturday morning, September 21. Persons having scrap iron are asked to call Roy Shupe or "Junior" Walker, New Oxford. A car wash will be held Saturday morning starting at 8 o'clock at the Cities Service Station, York St., Gettysburg.

State Police Here Probe York Crash

State police from the Gettysburg barracks helped out their fellow officers of the York sub-station Wednesday night by investigating an accident on the Lincoln Highway six miles west of York.

The crash involved cars of Charles L. Trimmer, 35, York, and Henry Sims Jr., 37, Cuthbert, Ga. Damage totaled \$50 when Sims sought to drive in to a fruit stand from the highway and the Trimmer car struck his vehicle from the rear. The local officers were asked to investigate because of York Fair connected work which "tied-up" the York officers.

Son Is Bequeathed E. R. Williams Estate

Letters testamentary have been granted by the register and recorder to Charles Ray Williams, 106 E. Main St., Emmitsburg, executor of the estate of E. Ray Williams, late of Franklin Twp., who died in Gettysburg on August 24 at the age of 60.

The estate of \$1,800 and two tracts of land in McKnightstown including an improved nine-room house, an eight-room house, 12 cabins, a service station and restaurant, valued at over \$40,000, are bequeathed to the son, Charles Ray Williams.

Two Properties Are Transferred

The following property transfers have been recorded in the office of the register and recorder:

Clair C. Hoonagle, executor of the estate of Dora Belle Neely, late of Fairfield, who died February 14, 1957, sold to the First National Bank of Fairfield a property on Main St., Fairfield, for \$5,000.

The Rev. John W. and Ada P. Fry, 145 Baltimore St., sold to Donald C. Bollinger, Hanover, a property in Hamilton Twp. for \$3,800.

MARKET MAKES GAINS

NEW YORK (AP)—The stock market made moderate gains in early trading today in a follow-through from yesterday's technical rally. Leading issues rose from fractions to around a point. Several showed no change and there were a few losses. Oils, nonferrous metals, aircrafts and some rails showed gains.

Littlestown GIRL SCOUTERS PLAN ANNUAL FINANCE DRIVE

The first fall meeting of the Littlestown Girl Scout Troop Committee members, leaders and assistants of the various troops of the community was held on Tuesday evening in the Alpha engine house. Preliminary plans were made to conduct the annual financial drive for the Girl Scouting organization. Members of the Woman's Community Club of Littlestown and Vicinity and the Junior Woman's Club of Littlestown will assist the Scouts in making the house-to-house calls for the drive.

Mrs. Charles E. Ritter, neighborhood chairman, presided at the meeting and announced that a leaders of the County Girl Scouts dinner for the leaders and assistant will take place on Tuesday, October 1, 6:30 p.m. at the Keefeauver School, Gettysburg. Mrs. Ritter also announced that the local Girl Scouts and Brownies will be in charge of the program at the meeting of the Littlestown Joint Parent-Teachers' Association on October 15.

The monthly dances for the Brownies and Girl Scouts, sponsored by the Littlestown Eagles, will be resumed again this winter. The resignations of Mrs. Clark Shanbrook and Mrs. A. G. Ealy as leaders, and Mrs. Eugene F. Muller, assistant leader, were accepted with regret. Volunteer leaders are needed and anyone interested in helping with the troops is asked to contact Mrs. Ritter.

Plan New Troop
A new Brownie troop will be organized in the community, and registration will take place from 10 to 11 a.m. on Saturday at the engine house. Girls wishing to join the troop and cannot be present on Saturday morning are asked to contact Mrs. Robert H. Miller or Mrs. Kenneth K. Kroh. It was

decided that the troop committee will hold regular meetings on the second Monday of each month. The next session will take place on October 14, 8 p.m., at the engine house.

Sorority Meets

Gayton L. Evans, athletic director at the Littlestown Junior-Senior High School, was the guest speaker at the semi-monthly meeting of the Beta Tau chapter of the Beta Sigma Phi sorority, held at the home of Mrs. Albert J. Bair, 8 Queen St., on Tuesday evening. Mr. Evans discussed the topic, "The Body Beautiful." Mrs. Clyde W. Crouse, Littlestown, R. 1, will be hostess to the sorority for the next meeting on Tuesday, September 24, at 8 p.m., when it is planned to have a guest speaker discuss the topic "Painting the Person."

Sunday School Meeting

The Children's Division of the Sunday School of Redeemer's United Church of Christ voted a contribution of \$25 to the recently black-

topped parking lot constructed in the rear of the church at the September meeting of the officers and teachers of the Division on Monday evening, held in the church social hall.

Mrs. Donald C. Feaser, divisional leader, presided at the meeting and offered the opening prayer. It was decided that \$10 be voted to each department within the division for use in purchasing supplies needed. The annual Christmas program was discussed by the group, but no definite program was chosen for the children's service. Announcement was made that four teachers are needed for the children's classes and anyone wishing to volunteer their services is asked to contact Mrs. Feaser or Dr. William W. Seibert. It is hoped that the needed teachers are secured before the appointment of the teacher nominating committee at the end of the year. The officers and teachers decided to use the buzzer system, along with the other departments of the Sunday School, for signaling the opening and closing of the weekly sessions. Mrs. Feaser reported for the treasurer, Mrs. Robert W. Hall.

The group will begin bi-monthly for a combined session; then every other month as individual departments, with the departmental superintendents in charge. The meeting next month, on Monday, October 7, at the church, will be according to departments.

To Serve Banquet

Redeemer's Church Ladies' Aid Society held its first fall meeting in the church social hall on Tuesday evening. Mrs. Glenn S. Kauffman Jr. gave the call to worship and opening prayer. There was a hymn by the group, accompanied by Miss Eileen Crouse; Scripture reading, Mrs. Mervin S. LeGore; vocal duet, Diane and Eileen Crouse; piano solo, Eileen Crouse; reading, Mrs. Calvin M. Sents Sr.

The business period was conducted by the president, Mrs. Edward B. Geiman, who heard reports from the secretary, Mrs. Donald C. Arbogast, and treasurer, Mrs. Paul F. Crabbs. Mrs. Geiman read a letter from the church consistory, thanking the society for the contribution of new green altar cloths. Plans were made

Lieutenant Colonel R. M. Beechiner Jr. (left), professor of military science and tactics at Gettysburg College is shown receiving the 9th Infantry Division Certificate of Achievement from Major General Herbert J. Vander Heide, Chief, U. S. Army Military District, Pennsylvania. The Colonel was cited during a ceremony in General Vander Heide's office at Indiantown Gap Military Reservation. He received the certificate in recognition of meritorious performance of military duty from June 11, 1956, to July 15, 1957, when he was assigned to the 47th Infantry Regiment, 9th Infantry Division at Fort Carson, Colorado. He has completed 12 years of active Army duty.

OWEN V. COBLE, MISS REIGHTER WED ON FRIDAY

Miss Beatrice Jeanette Reighter, daughter of Mr. and Mrs. Karl W. Reighter, Harrisburg, became the bride of Owen VanDyke Coble, son of the Rev. Dr. and Mrs. Oliver D. Coble, Bendersville, in a candlelight wedding service performed last Friday at 8 p.m. in the Evangelical United Brethren Church in Harrisburg.

The officiating clergymen were the Rev. Dr. Coble and the Rev. O.E. Pottelger. The bride, who was given in marriage by her father, wore a white gown of silk tulle with a scoop neck line. The gown had a large bustle bow and a chapel train.

The maid of honor was Miss Mariellen Hess, Harrisburg, and the bridesmaids were Miss Nancy Winters and Miss Ruth Runkle, both of Harrisburg, and Miss Kathryn Mae Reighter, a sister of

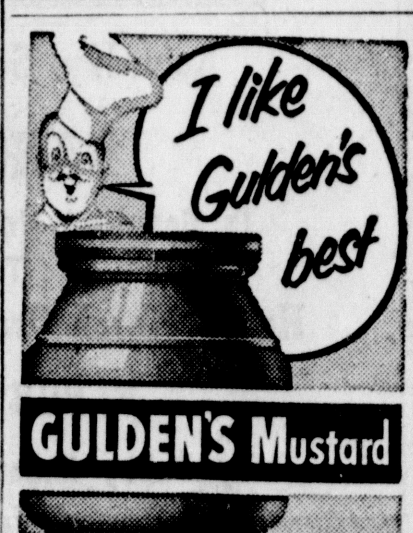

MRS. COBLE

the bride, who was the junior bridesmaid.

To Live At York

The best man was Donald Hollabaugh, Bendersville, brother-in-law of the bridegroom. The ushers were Donald Miller, Biglerville; Dale Ecker, Arendtsville; William Reighter, brother of the bride, Harrisburg, and Don Coble, a brother of the bridegroom.

There was a reception in the church basement after the ceremony to make and sell chicken and ham salad sandwiches on Wednesday September 25. It was decided to serve to the Sororist Club on Tuesday, October 8, after which the Aid will hold a brief business meeting. The guest package, given by Mrs. Carroll Dodder, was won by Mrs. Geiman. Refreshments were served by Mrs. Kauffman, Mrs. LeGore and Mrs. William Wherley. The hostess committee for the next regular meeting on Tuesday, November 12, includes Mrs. Samuel H. Higinbotham, Mrs. Claude Reichart and Mrs. Claude Olinger.

YOUNG STARS AT HERSHEY ARENA

HERSHEY, Pa.—Paul Anka, a 16-year-old entertainer of Syrian parentage, is one of the new recording stars who will be seen and heard in the "Biggest Show of '57" at Hershey's Sports Arena Friday night.

Young Anka, who was born in Ottawa, Canada, got his start in show business at the age of 12 by imitating Johnny Ray. His father put him on the road to success when he formed a group called "The Bobby Soxers," which brought the youngster to the attention of a major recording company. His first record, "Diana" stamped him as a comer.

Anka, incidentally, is just one of more than 100 recording artists who will appear with the show. Returning by popular demand from the spring edition will be Pats Domino, LaVern Baker, Clyde McPhatter and the Drifters.

Other new faces will include: Frankie Lymon, the Bobbettes, the Spaniels and Tommy Brown, with Paul Williams and his orchestra providing the musical background for the whole show.

Harney

Mr. and Mrs. Samuel Valentine spent several days last week with Mr. and Mrs. Virgil Singer and other friends in Waynesboro.

Mr. and Mrs. John Green, Manchester, visited Mr. and Mrs. Robert Strickhouser Sunday.

Mrs. Fannie Reitsnyder, Mr. and Mrs. Harold Reitsnyder and daughter, Susan, and son, Sonny, of Baltimore, Mrs. Austa Perrine, Miss Thelma Peck and Daniel Lenker, Millersburg, visited Sunday with Mr. and Mrs. Harry Angell.

EUB church services Sunday will be at 9 a.m.

Harvest Home services will be held Sunday, September 22, at St. Paul's Church. The special offering will go to the Home for Aged in Washington, D. C.

More Tourists Are Visiting In State

HARRISBURG (AP)—A Commerce Department official believes Pennsylvania is attracting 12 to 14 per cent more tourist business this year over last season.

Harold Swenson, director of the Tourist and Vacation Development Bureau, estimated that

mony. Then the couple left on a wedding trip through the New England states. After 10 days they will return and reside at York. The bride is a graduate of the John Harris High School and the Harrisburg Hospital School of Nursing. Mr. Coble graduated from Biglerville High School and Gettysburg College. He is now spectrographer for the Caterpillar Tractor Company of York.

PMST RECEIVES CITATIONS FOR ARMY SERVICE

Lt. Col. R. M. Beechiner Jr., PMST at Gettysburg College, has received a citation in "Recognition of meritorious performance of military duty" from June 11, 1956, to July 15, 1957.

During that time Col. Beechiner, who served as the commanding officer of the 47th Regimental advance party during "Operation Gyroscope," and subsequently as executive officer of the regiment, is credited with "unswerving devotion to duty, professional competence, imagination and loyalty to the best interest of his unit and the military service."

Since his assignment to the regiment came shortly before the departure of the advance party to the United States on "Operation Gyroscope," he had little opportunity to familiarize himself with the personnel in his charge or the myriad detailed policies and procedures of the regiment.

The citation credits Col. Beechiner with displaying "outstanding judgment and perception in assimilating the details of his mission and organizing his group for effective and flexible operation."

He is further credited with a "superb" training plan, the major details of which are still in effect, and conceiving and planning the community adoption program which has become a post-wide factor in fostering good inter-community relations between Fort Carson, Colo., and civilian groups of nearby Colorado Springs, Colo.

Col. Beechiner entered the military service from the state of Nevada.

Pennsylvania business has collected close to 1 1/4 billion dollars from tourists this year.

Littlestown VETS DONATE TO THREE CAUSES

Donations were voted by the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, at their semi-monthly meeting on Tuesday evening at the post home, to the Pennsylvania Association for the Blind, to the Littlestown High School football program and to the Alpha Fire Company No. 1.

The Vets will go along with the other sponsoring organizations to send all local Little League teams to a big league game in Baltimore on Saturday. The boys and those men providing transportation will meet in the vicinity of the Vets and the Eagles Homes on West King street, at 11 a.m.

It was voted to hold a New Year's Eve dance at Bankert's restaurant and recreation center. 1958 dues are payable as of October 1. A second Korean bonus rally will be held on the meeting night of October 22. The next meeting of the post will be held on September 24.

WVCS Meets
Mrs. Alice Yohn presided at the monthly meeting of the Woman's Society of Christian Service of Centenary Methodist Church, held on Tuesday evening at the home of Mrs. Bertha Harner, Park Ave. Mrs. Mary Byers was in charge

of the devotional program, for which the theme was "Missionary Cinema." A tentative date was set to hold a food sale, Friday, October 4. Details concerning the event will be announced.

A meeting of the WVCS parsonage committee was scheduled for next Wednesday, 7:30 p.m., at the parsonage. Group contests were won by Mrs. Janie Yates and Mrs. Yohn. During the social hour, refreshments were served by Mrs. Bertha Harner, Mrs. Esther Harner and Mrs. Jean Harner. The group will meet again on Tuesday, October 8, and the hostesses will be Mrs. Margaret Howell, Mrs. Edith Hanlon and Mrs. Violet Staveland.

The annual birthday meeting of the Ladies' Aid Society of Bart's Evangelical United Brethren Church will take place at 7:30 p.m., at the church. The birthday bank will be returned, and the bank is in charge of Mrs. Ray Heiser. A film will be shown by the pastor, the Rev. A. W. Garvin. The program is in charge of Miss Janet Phillips and Miss Katherine Karichuff.

MT. HOLLY, N. J. (AP)—A young civil engineer of Penn Valley, Pa., died today of injuries suffered last night when his car overturned three times in Evesham Twp.

Burlington County Hospital authorities said Robert Bateman, 23, suffered a skull fracture and internal injuries in the accident on Route 73 a mile south of the Marlton Circle. Police said Bateman's small foreign car apparently ran across a grass divider and overturned after hitting a shoulder.

Union Veterans Vote To Join Confederate Survivors Here In Reunion Next Year: Madison, Wis., Sept. 10 (AP) — The Grand Army of the Republic, its ranks thinned by time, dispersed today to await call to a reunion with Confederate survivors next summer at Gettysburg.

The Union veterans, following prolonged secret meetings, voted Thursday to join one time foes in a 75th anniversary celebration of the Battle of Gettysburg, but stipulated in a resolution to the Pennsylvania commission in charge of the event that "such reunion have in view only the flag of the United States."

Peach Crop In County Placed At 250,000 Bushels: Harvest of the 1957 Adams county peach crop, said by county fruitmen to be the largest in the history of the industry here, is all but completed.

Estimates on the size of the county peach crop this year brought figures that ran almost to 300,000 bushels but with the general consensus agreeing on a crop approaching 250,000 bushels. While peach trees in county orchards have been as full in other years, notably in 1926 and 1928, the peach acreage has increased so greatly since that time that this year's crop exceeds any previous harvest and may place Adams county as second highest in peach production in this state. Franklin county retains first position.

Miss Grace I. Weikert, Nurse For Three Years, Weds Saturday: Miss Grace Irene Weikert, Philadelphia, daughter of Mr. and Mrs. Mervin I. Weikert, Gettysburg, became the bride of James E. Davis, Philadelphia, in a ceremony performed Saturday afternoon at the Weikert home, six miles west of here along the Fairfield road.

Arthur Roth Named High School Editor: Arthur J. Roth, a member of this year's senior class has been appointed editor-in-chief of the Maroon and White school newspaper at Gettysburg high school, according to an announcement made by Prof. Guile W. Lefever, principal.

Roth succeeds Miss Lucille Grimm, daughter of Mr. and Mrs. Herbert L. Grimm, College avenue, who did not return to school this year as she has enrolled at Briar Cliff Manor, New York. Roth was sports editor of the paper for half of the last school term. William Waltemyer, a member of the sports staff of the paper, has been advanced to the sport editor position vacancy created by Roth's promotion. Eugene Hartman, who was formerly in the feature department, has been appointed a member of the sports staff to take Waltemyer's place.

Rev. Colestock To Be Ordained On September 19: The Rev. Emmert G. Colestock, who was recently elected pastor of the Zion Lutheran church, Fairfield, will be ordained at a special service in the First Lutheran church, New Oxford, Sunday evening September 19 at 7 o'clock.

Mildred Tuckey Weds Thursday: Miss Mildred Adeline Tuckey, daughter of Mr. and Mrs. Willie T. Tuckey, Biglerville and Charles William Martin, son of Mr. and Mrs. Verner S. Martin, Newville, were married Thursday evening in York Springs by the Rev. H. O. Gotshall.

East Berlin's Firemen Win \$25 At Aspers: Adams county firemen at the final business session of their 15th annual convention Monday afternoon at Aspers re-elected the entire staff of 20 vice presidents, heard addresses by officials of the state firemen's association and fire marshals from distant points and witnessed and participated in the annual convention parade.

The East Berlin company, marching with the drum corps of the Veterans of Foreign Wars post of Hanover, won the \$25 cash prize offered the company with a band and the largest number of members in line.

Today's Talk

ENCOURAGEMENT

To be able to give encouragement to someone else is to reap it for oneself! I always feel better after giving encouragement to another person. There is nothing that we can give away that requires so little effort. Nothing monetary interferes.

We all need a pat of encouragement from others, and each one of us needs to give it out wherever we can, or have the opportunity. These brief daily Talks would have been discontinued long ago had it not been for the encouragement that I have received from thousands of readers. They are my theme every day that I write.

What a multitude of people would enter into a new life, with hope and heart, if only just a little encouragement would come their way. Even the successful need encouragement. Something spiritual to add to their way of life. I have never known a person who didn't react happily after a little encouragement and appreciation. Even a race horse goes better after a pat on the nose.

In a small book in which I now and then ask a friend to write, Herb Shriner wrote this: "To my friend George Mathew Adams, wishing him the success that I was saving for myself." What a wonderful thing to wish for another what we might well wish for ourselves.

Most of what I have in this world I owe to those who have encouraged me through the years. I like to think that everything that I have earned, or created, is mine only on lease. I want other people to have a goodly measure of what has been so generously passed on to me.

Tomorrow Mr. Adams will talk on the subject: "In Things."

MOTHERHOOD

She was beautiful to see.
And her father had some money.
All her days were trouble free,
All her skies were bright and sunny.

Tell she knew but little of.
Pleasure's way she was pursuing.
With sweet message of love
Sons of millionaires came wooing.

Stylish cars when she went out
Made her travel very pleasant.
She was free from care and doubt,
Living only in the present.

That was ten short years ago.
Now she's just like any other
Wife, who's thirty-five or so,
And has won the name of mother.

New she tells but hums a song.
And her thoughts are of what
may be,
And she thinks of right and wrong
As she sings to sleep her baby.

CITE PROBLEMS OF OLDER FOLKS

PITTSBURGH (AP) — Inadequate income and housing are two of the more serious problems facing Pennsylvania's older residents, Gov. Leader's Committee on the Aging was told yesterday.

Representatives of more than 20 social and civic groups testified at a committee hearing, one of a series to be held throughout the state.

George Mills, director of the State Dept. of Public Assistance, said the average monthly income of some 5,930 older persons receiving state assistance in Allegheny County is \$49.

Nearly all of the witnesses called the amount unrealistic. It was termed "much too meager" by Alfred Tronzo, director of the Pittsburgh Housing Authority.

Spokesmen for a group known as the United Neighborhood Houses of Allegheny County said that due largely to low income, 81 to 94 per cent of the aged are unable to purchase or rent adequate housing.

Scott, of Knoxlyn, is visiting with relatives in California.

Colonel and Mrs. J. L. Barton and daughter, Miss Virginia Barton, Broadway, have returned from the west shore of Lake Champlain where they spent the month of August.

Mr. and Mrs. Andrew Leach of Detroit, Michigan, are spending a few days on their farm along Ridge road and visiting Mr. Leach's brother Edgar and his mother Mrs. Ida Leach.

Miss Helen Keith, Carlisle street, has enrolled as a student at the Westtown Friends school, near Philadelphia.

The Misses Kathryn Gitt, Betty Swope, Charlotte Waltemyer, Aurelia Codori, Peggy Zinn and Mary Blüheimer attended a bridge luncheon given Miss Florence Hoover this afternoon at her home in Waynesboro.

Miss Louise Brinkerhoff, Villanova, is spending several days with Miss Emily Brinkerhoff, Baltimore street.

Miss Maude Bream, Springs Avenue, and Miss Sarah Wertz, of York, are spending the weekend in Johnstown where they will attend the wedding of Miss Elizabeth Nicely and John Carl Seibert.

WILL EXPLODE "EARTHQUAKE" BOMB 800 FEET UNDERGROUND

By ALTON L. BLAKESLEE
AP Science Reporter

NEW YORK (AP)—The earthquake A-bomb explodes next Wednesday in Nevada. Its shuddering, muffled blast will mark a new step in peaceful world cooperation for science.

This bomb will be set off 800 feet underground, in a tunnel inside a small mountain, at noon, Eastern Standard Time.

As such blasts go in the vast desert northwest of Las Vegas, this will not be a big one. But its shock waves will travel through and around the earth, probably reaching into the heart of the world.

To Record Waves

Earthquake experts around the globe—Americans, Russians, Britons, Chinese, Australians, all nationalities—will be set to record the waves and share results, a striking scientific dividend in the International Geophysical Year.

Usual bars of secrecy were let down to inform the observers in advance.

How fast the shock waves travel can tell these seismologists new facts about what the earth is like inside from this crust to hot heavy core. The knowledge could advance the day of sometime being able to predict natural earthquakes.

Main Tool For Learning

This earthquake bomb meets the wish of many seismologists to use atomic power as a probe deep into the earth's interior.

Shock waves from natural earthquakes are the scientists' main tool to learn the structure of our globe.

The AEC said the bomb will be exploded at the end of a multi-directional 2,000-foot tunnel cut into a small mountain. It pinpointed the exact location and hour, plus or minus two minutes.

It will be a baby bomb, equal to only 1,000 to 10,000 tons of TNT. The first or nominal A-bombs packed 20,000 tons force.

Earthquake A-Bomb Plan

Cross section of the earth underlying a small mountain in the Nevada nuclear testing area illustrates how shock waves will penetrate the earth's interior when a scheduled atom bomb blast is set off. The bomb, equal to only 1,000 tons of TNT, will be exploded at the end of a multi-directional 2,000-foot tunnel cut into the mountain 800 feet under the peak. Shock waves to be recorded around the earth are expected to provide seismologists with new facts about the earth's interior.

YOUNG DEMOCRAT Plainfield Youth Dies Of Injuries

HARRISBURG (AP)—Some 400 of Pennsylvania's Young Democrats gathered today for a three-day workshop that will spotlight issues for the 1958 gubernatorial campaign.

Gov. Leader will speak to the recently revamped organization tonight with workshop sessions scheduled tomorrow and election of national Young Democratic delegates on Saturday. Leader's appearance was billed as an "off-the-cuff pep talk."

Roy A. Schafer, Pittsburgh, head of the Young Democratic Division of the Democratic State Committee, said Henry B. Leader, the governor's brother and legislative secretary, will lead the discussions.

Round table leaders include George Lindsay, Schuylkill County; F. J. Stephen McCann (D-Greene), Rep. John Gailey (D-York), Rep. Herbert Fineman (D-Phila); Richard Kennedy, Montgomery County; James Jordan, Allegheny County; and Robert Rotz, Cumberland County.

Plainfield Youth Dies Of Injuries

CARLISLE, Pa. (AP) — A 17-year-old Cumberland County youth died today of injuries suffered in a car crash about two miles west of here last Sunday.

Paul Shetron, of Plainfield, died in Carlisle Hospital. Police said the youth was riding in a car driven by Arthur L. Etter, 16 of Newville Rd. 1, when it smashed into a parked car owned by Quinter Barrick, Carlisle Rd. 1.

Larry Boyd, 17, of Carlisle R.D. 3, and Etter were injured.

Warriors Will Start Only Three Seniors Against Westminster Here Friday; Squad Improves

It has been four years since a Gettysburg High School football team opened its season with a victory but the present scrappy and spirited Warrior outfit is determined to right that situation when it opens its campaign against a highly-rated Westminster outfit here Friday evening at 8 o'clock. Losses in the opening games of the last three seasons were all sustained at the hands of Westminster. Last year the score was 12-0.

Ben Jones, beginning his first year at the helm of the Warriors, feels that his squad had made tremendous improvement during the past week. He said, "I feel we have made tremendous improvement during the week. Our kids are really up for this one. We have no serious injuries and are in good physical condition. I have never seen Westminster play but from reports on the squad I feel certain the Owls will be a real test for us."

Test of Players
Friday's game will be a kind of experimentation affair for the coaching staff but that does not mean there will not be an all-out effort for victory. Coach Jones stated, "Not all positions are settled and Friday's game will serve to show us who can give us a full game and who really want to play."

There will be but three seniors in the starting lineup which augurs well for future campaigns. Earl Little, quarterback; Rex Baltzley and Ken Keefer, halfbacks, are the only scheduled starters who will be lost via graduation. Rounding out the backfield will be Bob Furney, sophomore fullback.

Linebackers, from left to right, will be: Joel Riddemoser, junior, end; Ken Kimple, junior, tackle; Roy Goldsmith, junior, guard; Frank Skidmore, junior, center; Bob Nelson, junior, guard; Bill Rentzel, sophomore, tackle, and Gary Maitland, junior, end.

Riddemoser is scheduled to spell Little at quarterback with Mike Small, sophomore, or Keith MacKenzie, senior, filling in at Riddemoser's vacated end post.

Eight additional lads are listed for plenty of action.
Will See Action
On the line there will be Tom Skidmore, senior, and Dick Scott, sophomore, tackles; Larry Houser, junior, guard; Ronald Sprangle, junior, center, and Ted Fair, junior, end.

A trio of speedy youngsters are set for relief duty in the backfield. They are Tom Crist and Marlin Cluck, juniors, and George Mitchell, sophomore.

The performance of the line holds the key to the success of the Warriors, with particular emphasis on the tackle positions. The all-veteran backfield should be able to take care of its end of the job.

Westminster and Gettysburg have clashed eight times with Gettysburg holding a 5-3 edge. However, Coach Herb Ruby's Owls have romped away with the last three decisions.

Expect Big Crowd
There is little doubt there has been a big increase in interest in the team's welfare this year among fans and students and Friday's crowd may well be larger than any for an opening night in several campaigns.

SP Conference To Meet Wednesday

The Southern Pennsylvania Conference will hold its fall meeting at Heisener's Restaurant, between Carlisle and Harrisburg, next Wednesday at 4:30 p.m. During the meeting of the member schools, dues will be fixed, a trophy committee appointed, the basketball schedule for 1959 discussed and the 1958 football schedule checked.

The steering committee of District Three of the PIAA has called attention of the conference and of secretaries of other leagues in the district that it will be necessary to wind up the basketball season early in 1959 in order that a state champions may be crowned before Easter.

James Neely, Lancaster, a member of the District Three committee, points out that since Easter Sunday in 1959 will be March 29, the Board of Control of the PIAA has voted to complete the state cage championships on Saturday, March 21.

This means, Neely says, that district championships must be completed by March 7, one week earlier than usual.

Leagues, according to Richard H. Brubaker, secretary of the South Penn Conference, will wind up by Feb. 21, 1959. Arrangement of the conference schedule to meet this deadline will be taken up at next week's meeting.

OFFICIALS TO MEET
The Gettysburg Chapter of approved PIAA football officials will hold its second regular meeting on Sunday at 10 a.m. in the K. of C. Building, McSherrystown.

BULLETS MEET

GW IN SCRIME

HERE SATURDAY

Gettysburg College's football team, drilling for its September 28 opener against Bucknell, will wind up two weeks of practice here Saturday with a full-dress scrimmage contest against George Washington University of the Southern Conference.

George Washington, which finished third behind West Virginia and Virginia Tech last year in the Southern Conference race, will provide a rugged pre-season test for Gettysburg. Bullet coach Gene Haas, starting his first campaign as head mentor, feels that if his hard-running backs can move against the big and talented Colonials they will be able to do likewise against Gettysburg's 1957 opponents. The teams also met last season in a pre-season scrimmage.

After a week and a half of two-day drills, a probable starting Bullet lineup has begun to take shape, and against George Washington Haas will start the eleven men who probably will open the season against Bucknell.

That tentative lineup includes Stan Musser, Gettysburg, and Chet Knight, Chestertown, Md., at ends; Al Kempton, Clifton, N. J., and Bob Barkley, Cleveland, Ohio, at tackles; Don Harman, Lancaster, and Dick Rowan, Harrisburg, at guards; and John Yohn, Palmyra, at center. Frank Capitani, Hershey, will be at fullback, while Earl Yost, Shippensburg, and Don Hailey, Camden, N. J., will be the halfbacks. Dick Stravolo, Chambersburg, and Neil Hickoff, Duncannon, will share the quarterback assignment.

Man's Car Stalls; His Son Is Killed

BEDFORD, Pa. (AP)—Dilmonite Sykes, 36, of New York City, started across the Pennsylvania Turnpike on foot today after his father's auto stalled and was killed by an oncoming car.

State police said Sykes was hit by a station wagon driven by John F. Prudden, 37, of Pappan, N. Y. The impact threw Sykes into a sedan driven by Ellsworth S. Henry, 33, of Baltimore Md.

Sykes and his father, Lee, 60, of Miami, Fla., were west bound when their auto stalled. The mishap occurred at 3 a. m., three miles east of the Bedford interchange.

Ball Toters For GHS Against Westminster

The above quartet of lettermen have been nominated by Coach Ben Jones of Gettysburg High School as his starting backfield against the Westminster High gridders here Friday evening at 8 o'clock in the opening game of the season.

Left to right are Bob Furney, fullback; Ken Keefer, halfback; Earl Little, quarterback, and Rex Baltzley, halfback. With the exception of Furney, all are seniors, the only boys scheduled to graduate in the entire starting lineup. Furney is a junior.

Cardinals Move Up As They Wallop Phils 14-6 As Braves Bow To Pirates; Yanks Split

By ED WILKS
The Associated Press

Is that a miracle or a mirage taking shape in the National League pennant race?

A miracle finish, such as the New York Giants staged in 1951, is like a tango. It takes two. Even a spirited spring down the stretch, such as the Giants' 37-7 drive six years ago, won't bring a payoff unless the leader collapses, as did the Brooklyn Dodgers when they lost 23 of their last 49 and then blew it all to the Giants in the three-game pennant playoff.

That's the situation in the NL race now. The second-place St. Louis Cardinals have won seven of their last eight while Milwaukee's first-place Braves, perhaps building pressure by insisting there isn't any, have lost five of their last eight.

Cards Climbing

The Cards stayed with it last night, battering Philadelphia 14-6 and climbing within 4½ games of the Braves, who were dropped 2-1 by the Pittsburgh Pirates.

The New York Yankees split a day-night double-header against Cleveland. O' Sal Maglie tossed a three-hitter that beat his former Tribe mates 5-0 in the opener, but Ray Narleski then set down the Yankees on four hits in Cleveland's 4-1 nightcap victory.

That left the champs with a 5½-game lead over Chicago's second-place White Sox, who scored three in the 11th and beat Boston 4-1.

Brooklyn Beats Cubs

Third-place Brooklyn, seven games behind Milwaukee, defeated the Chicago Cubs 9-1 in the only NL game scheduled.

In the other AL games, a pair of twilight double-headers, Detroit swept Washington 3-0 and 12-2, and Baltimore split with Kansas City, winning 6-2 after a 7-3 defeat.

The Cardinals, hitting their one-game scoring high of the season, rapped 15 hits off ex-mate Harvey Haddix and five relievers while collecting a pair of six-run innings. Del Ennis drove in three runs with his 22nd and 23rd home runs. Herm Wehmeier won his fourth in a row.

Foiles Solves Spahn

Warren Spahn, who had been Milwaukee's stopper, had the goods on the Pirates except for Hank Foiles—No. 8 in the batting order. Foiles had a perfect day with three of the Bucs' eight hits, swatting a home run that tied it 1-1 in the third and driving home the clincher with a two-out single in the ninth.

Right-hander Ron Kline won his sixth in a row with a six-hitter. Andy Pafko, who homered in the second, and Del Rice had four of the Braves' hits.

Maglie, the 40-year-old right-hander Cleveland snubbed as "just another guy" after buying him from the Giants in 1955, gave up a single to Joe Caffie and Russ Nixon's ground rule double in the second, then no-hit the Tribe until Nixon singled with two out in the ninth. It was Sal's first American League victory.

Wynn Loses 7th

Early Wynn lost his 7th. Narleski was touched for two hits by Hank Bauer, one an RBI triple in the fifth that cut the Indians' lead to 2-1. The Tribe rapped Bobby Shantz for eight hits in his seven frames.

Jim Rivera's third hit, a single, drove in the tie-breaking run for the White Sox. Fred Hatfield then added a two-run pinch single in the big frame that handed Willard Nixon an 11-11 record. Young Bill

Fischer went all the way with a 10-hitter.

The Dodgers smacked 15 hits, 14 of them singles, and nailed it with six runs in the fourth that handed Bob Rush a 15th defeat. Johnny Podres hit his major league high with a 12th victory.

Jim Bunning hit his first major league home run and gained his first shutout along with his 18th victory for the Tigers in the opener. Frank Lary then won his 10th in the nightcap as Detroit scored nine in the seventh, two off Frank House's homer.

Ralph Terry four-hit the Orioles in the opener for Kansas City, losing a shutout on Al Pilarcik's ninth-inning homer. Baltimore then ended its losing string at five on two-run homers by George Kell and Gus Triandos in the nightcap.

Qualifying Race At Speedway Saturday

The Langhorne qualifying race will be held at the Lincoln Speedway Saturday night with the winner being guaranteed a starting position in the NASCAR 100-mile National Sportsman Championship at the "Horn" in October.

Saturday night it will be the entire field against Johnny Mackison who continued his winning streak at the local oval by winning last week's feature. Mackison, who has competed well against the late model drivers in the country, wants to win this race and try his skill against the top NASCAR sportsmen driving at Langhorne.

Top opposition to Mackison will come from Shorty Kirchner, Bobby Able, George Speck, Leroy Pelte, Charlie Boone and Dizzy Dean plus 30 other top notch drivers.

The first heat will get underway at 8:30 p.m.

Veteran Delone Outfit To Engage Hanover Friday In Grid Debut Under Tom Carr

Delone Catholic, with an even dozen lettermen left over from last year, takes on arch rival Hanover in its opener on the Nighthawks' gridiron Friday evening in the 24th game of their series. The Squires, who won easily last year 28-7, have won three, lost 18 while two games ended in ties.

Needless to say, an overflow crowd will be on hand for the game which will mark the first for the Squires under the tutelage of Tom Carr, former Scotland coach.

Expect Good Season

Last year Delone, under Alex Bell, now assistant to Johnny Yovician at Harvard, posted a 7-2-1 record and Squire fans are looking forward to another great season due to the abundance of experienced lads on the squad. Delone is being rated by many as the best scholastic team of the area.

If Coach Carr chooses, he could place a letter-winner at each position.

Up front he has Mike Conrad, 173, and Bill Wierman, 180, ends; Jerry Elme, 162, and Frank Henry, 167, tackles; Dick Smith, 165, and Bob Smith, 150, guards; Mike O'Brien, 179, center, all of whom are seniors. Another letterman, Paul Gebhart, 167-pound end, is a junior.

In the backfield the veterans include Johnny Gastley, 170, and Bucky Washington, 145, juniors from Gettysburg; Larry Hocken-smith, 160, and Earl Mann, 175, both seniors.

ROONEY BACKS BUDDY PARKER ON CHANDNOIS

By GIB STALEY

LIGONIER, Pa. (AP)—He's the captain of the ship and whatever he does is perfectly okay with me."

That was what Art Rooney, president of the National Football League's Pittsburgh Steelers, said last night as he praised the work of his new coach, Buddy Parker.

Parker, who took over the Steelers' little more than two weeks ago, surprised many Steelers fans yesterday when he handed veteran halfback Lynn Chandnois his outright release.

Climax Of Busy Day

The release climaxed an eventful day which saw the Steelers pick up three players in trades with the Washington Redskins and Parker's old team, the Detroit Lions.

"I just thought Chandnois had played long enough for the Steelers," Parker said quietly. Chandnois, a veteran of seven years with the club, expressed surprise and said he figures he has at least two more years of football left.

Before releasing Chandnois, Parker picked up Jack Kemp, 6-2 quarterback, and tackle Dave Liddick from the Lions. He also obtained fullback Dale Atkeson from Washington for tackle Don Owens.

In still another development, halfback Johnny Latner, the former Notre Dame All-American and the Steelers' No. 1 draft choice in 1954, resigned. He said a knee injury suffered while in the Air Force still gives him trouble.

DISPUTE AFTER FIGHT LIVELIER THAN FEATURE

DISPUTE AFTER FIGHT LIVELIER THAN FEATURE

CHICAGO (AP)—The best fight at Chicago Stadium last night could have been between a trainer and a referee.

As it was, Larry Baker, eighth-ranking welterweight from New York, wound up restraining his handler, Jack Friday, from going after Referee Bernard Weissman.

This all happened after Baker lost to Vince Martinez, No. 4 contender from Paterson, N. J., on a technical knockout in the ninth round.

Treat For Crowd
After seven full rounds, the national TV audience, who stayed with it and the 1,108 ringsiders who groaned through it, got a treat.

Martinez caught Baker with a terrific left to the face in the eighth. Baker staggered into a corner under a fusillade of rights and lefts with a vicious cut near his right eye pouring blood.

Weissman stepped between them. Martinez apparently thought the fight had been stopped. But Weissman quickly looked at Baker's eye and moved away.

Tore After Martinez
Baker, no longer reeling, tore after Martinez. In the center of the ring he caught him with a looping right. Martinez' legs buckled and he was forced groggily into a corner. Baker smashed him at will, but the bell sounded before Martinez could be chopped down.

Between rounds, Dr. Irving Slott of the Illinois Athletic Commission inspected Baker's eye. He told the referee to stop the fight. Baker was not permitted to come out of his corner for the ninth, losing his first fight in his last dozen starts.

Friday, a hulking man, angrily rushed towards Weissman. Baker stood in front of him, holding him back until he cooled off.

Martinez Was Favorite
"Baker had a severe contusion and laceration, with a marked blood clot on the upper lid of the right eye," said Slott. "The sight of the eye would have been endangered had the fight continued."

Martinez said: "If we fought another 20 rounds, Baker never would have gotten such a lucky blow as the one he caught me with."

Martinez, a 12-5 favorite, out-weighted Baker 149½ pounds to 147. Under the five-point maximum system, Martinez was ahead on points through the eight rounds this way: Weissman, 40-34; Judge Jim McManus, 39-34; Judge Howard Walsh, 40-34; The AP, 40-36.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS

PITCHING—Sal Maglie, Yankee, gained his first American League victory with a three-hitter that defeated his former Cleveland mates 5-0, but Indians then gained a split in the day-night doubleheader as Ray Narleski's four-hitter, defeated the champs 4-1.

HITTING—Hank Foiles, Pirates, went 3-for-3 as No. 8 man in the batting order, driving in both runs with a home run and ninth-inning single that defeated the Braves 2-1 and halted Warren Pahn's winning streak at nine.

STEVE PADJEN has but six holdover lettermen on his Hanover squad, foremost of whom is Tom Good, a fleet halfback.

Other returning lettermen include Dave Rodman, end; Ed Cohn, George Stetter and Phil Berkheimer, tackles, and Lee Wise, guard.

This year Padjen has switched from the single wing to the split-T style of offense and much of the success of the Hawks will depend on how quickly the squad can make the transition.

Of the 43 members of the squad, 21 are sophomores and three of the lettermen are juniors.

Former Rifle Champ Passes Away At 84

CLINTON, Maine (AP)—Daniel Fred Coleman, 84, a champion rifle marksman at the turn of the century, died yesterday after a lengthy illness.

Each year rifle competition is staged at Coleman's native town of Hedges, Pa., and a trophy is given in his honor. The event takes place at Coleman Park, named for the former rifle expert.

Coleman's home at Canaan, Maine, was leveled by fire about a year ago, destroying what was considered his priceless collection of firearms. He moved to Clinton shortly thereafter.

State Will Get \$3,448,359 From U.S. For Vocational Rehabilitation Work In '58

By JOHN KOENIG JR.
AP Special Washington Service
WASHINGTON (AP)—Pennsylvania will get more money from the federal government for vocational rehabilitation during the 1958 fiscal year than any other state.

The Keystone State will receive \$3,448,359 on a matching basis for its job re-training program conducted by the Department of Labor and Industry.

The second highest amount, \$2,940,000, goes to New York. California is third with \$2,352,330. Georgia is fourth with \$2,049,559 and Illinois fifth with \$1,625,980. Pennsylvania, however, is far behind the leaders in total grants to the states by the U.S. Department of Health, Education and Welfare, which is allocating a total of \$2,202,852.912.

Pennsylvania Is Eighth
A comprehensive table released by the department shows California outstripping all other states in total grants from the Department with \$228,074,368. Pennsylvania stands eighth with \$79,301,002 for the fiscal year which began July 1.

Where the Keystone State falls behind is in funds granted by the Social Security Administration, and in particular, the old age assistance category.

California and every other state exceeding Pennsylvania in total funds to be received—with the exception of New York—far outstripped the commonwealth in grants for old-age assistance.

In another major category of department aid, Public Health Service, Pennsylvania stood third and is due to receive \$10,259,314. New York is first with \$11,361,483 and Texas second with \$10,400,071.

Third In Mental Health
A breakdown of Public Health Service funds allocations shows Pennsylvania third in mental health—one of the commonwealth's key governmental programs in recent years—with \$234,700. Another important program of the last decade—streamline clearance—is aided with an appropriation of \$2,096,725, second largest among the states, for waste treatment works construction.

A hospital construction aid fund

of \$6,454,489 for Pennsylvania, also under the Public Health Service allocations, is second highest among the states. Texas is the leader with \$7,153,621.

In another major category the office of education, Pennsylvania is third with \$174,720 in money earmarked for colleges of agriculture and mechanic arts. New York is first with \$217,934 and California second with \$175,599.

However, in total funds allocated among the states by the office of Education, Pennsylvania is far down the list, standing 14th with \$4,722,091.

Here a big factor is money granted for maintenance and operation of schools. The leader, California, receives 20 million dollars. For school construction, California is being allocated 5½ millions. Pennsylvania in these two categories receives \$2,050,000 and \$100,000.

The complete Pennsylvania allocations:

Office of Education: Cooperative vocational education, \$2,194,484; colleges of agriculture and mechanic arts, \$174,720; rural library service, \$202,887; maintenance and operation of schools, \$2,050,000; school construction, \$100,000; total, \$4,722,091.

Other Funds
Public Health Service: General Health, \$830,000; mental health, \$234,700; cancer control, \$138,600; heart disease control, \$105,200; tuberculosis control, \$283,500; water pollution control, \$134,100; waste treatment works construction, \$2,096,725; hospital construction, \$6,454,489; total, \$10,259,314.

Social Security Administration: Old age assistance, \$21,633,000; aid to dependent children, \$26,983,000; aid to the blind, \$3,801,000; aid to permanently and totally disabled, \$6,738,000; maternal and child health service, \$646,145; services for crippled children, \$609,420; child welfare services, \$442,179; total, \$60,852,744.

Aid to printing for blind, \$18,494. Vocational rehabilitation, \$3,448,359.

Hearings are being held by the committee headed by Rev. William Swaim throughout the state. The meetings are open to the public and the board expressed the hope that a number of persons in the county will attend the September 19 session.

The board reviewed new home nursing services available to persons in convalescent or nursing homes. Information can be obtained by those interested at the assistance office.

The next meeting of the board will be October 9. Board members attending Wednesday night were Rev. Mr. Held, Mr. Stauffer, Mrs. Donald A. Noel, Mrs. J. Kermit Herter, Joseph Sneeringer and Clyde Kennedy.

SCHOOL, TOWN BATTLING OVER SCHOOL LAND

YORK, Pa. (AP)—For 101 years a two-room building at nearby Lewisberry was used as a school. Now the Lewisberry School District and the borough of Lewisberry are involved in a court suit to decide whether it is school or borough property.

The dispute arose over payment of rent. Borough Council contends the building is on borough property and the board should pay rent. The school board says the structure is school property, refuses to pay rent but has planned a \$6,000 renovation program.

A County Court hearing yesterday before Judge Walter I. Anderson was recessed after three hours of argument. Paul N. Yost, representing the school district, said the board has agreed to withdraw its suit to prevent the borough from interfering in plans to renovate the building. That is if the borough agrees to maintaining the status quo until October when the borough's original court action contesting the ownership of the building is heard.

Get Preliminary Injunction
Yesterday's hearing involved a preliminary injunction granted by Judge Anderson Saturday which permits the school board to continue its repair work. Several days before school was due to open a constable twice arrested a well-digger at work beside the school. He was charged with illegal parking on borough property.

The building was constructed in 1855 and used as a school until about two years ago when the district was merged. But this year expanding school population made the use of the old building necessary and 70 pupils were assigned to it.

The next meeting of the club will be October 9. Board members attending Wednesday night were Rev. Mr. Held, Mr. Stauffer, Mrs. Donald A. Noel, Mrs. J. Kermit Herter, Joseph Sneeringer and Clyde Kennedy.

for students in an effort to provide greater maturity and responsibility and also of attempts to raise the salaries of faculty and staff.

"None of this reflects on Gettysburg's past. She has a grand and glorious history covering the last one hundred and twenty-five years. Take a look at the women she has produced. It is almost unique and certainly very interesting to realize that our first woman graduate at Gettysburg College is still living and is an active and loyal alumnus who celebrated her 63rd class reunion with the class of 1894 this spring. I refer of course to your fellow townswoman, Mrs. Cora Berkey," Gen. Paul said. He also noted the contributions and achievements of other women graduates.

Student Sings Solos
"We are trying to tie all these together into a spiritually, soundly educated 'whole' personality that reflects the philosophy behind our teaching at Gettysburg College. Women, with their fine sensitivity, recognize what we mean, and what we need," he said.

Mrs. Amos B. Behnhart, chairman of the program committee of the club, was in charge of the program and introduced the speaker. Mrs. R. D. Wickerham is president of the club. Mrs. Mark A. Eckert, chairman of the membership committee, introduced two new members, Mrs. Charles H. Huber Jr. and Mrs. Martin Lautz.

Sherrill Giebut, junior at Gettysburg College, sang "My Lady Walks in Loveliness" and "Morning," accompanied by Miss Lois Kadel.

Past Presidents
Mrs. John Henry, Mrs. Harry Price and Mrs. C. B. Sweney, are members of the program committee which had charge of the meeting. The hospitality committee is headed by Mrs. Edmund W. Thomas, chairman. Mrs. Harold L. Ecker, Mrs. Joseph S. Heiney, Mrs. Stanley Hull, Mrs. Charles W. Pitzer, Mrs. Clark S. Smith, Mrs. Milton R. Tipton and Mrs. Paul Zeger.

The past presidents of the club had their own table at the luncheon. Mrs. Rasmus Baby, who was president of the club from 1929 to 1931, is from State College, Pa. Other past presidents attending were: Mrs. S. F. Snyder, 1925-27; Mrs. L. C. Keefeauver, 1927-29; Mrs. Henry M. Scharf, 1947-49; Mrs. Edmund W. Thomas, 1949-51; and Mrs. Harold Ecker, 1955-57.

The next meeting of the club will be sponsored by the international affairs department on October 16 at 2 p.m. in the YWCA. Mrs. H. M. Wagner, chairman of the department, will introduce the speaker, Dr. T. Z. Koo, former director of the World Christian Student Federation, who will speak on "The Rise of Nationalism and Communism in China."

Hostesses for the meeting will be: Mrs. Edgar L. Deardorff, chairman, Mrs. T. V. Fairfield, Mrs. Russell Campbell, Mrs. Barton Poth, Mrs. Ralph D. Heim, Mrs. Frank Hewetson and Mrs. J. Floyd Slaybaugh.

2 ARE JAILED ON LIQUOR AND OTHER CHARGES

PARKTON, Md. (AP)—Two men from Stewartstown, Pa., one of them captured in an 80-mile-an-hour police chase, were in jail today on charges of transporting materials to set up a still.

Baltimore County police identified them as John R. (Bob) Jones, 42, and his 19-year-old nephew, Ralph Jones.

Police said they found John Jones' auto parked on the Middletown road and became suspicious. As they started to inspect the car, it sped away. The officers fired, four bullets striking the car. One of the bullets went through the rear window and another shot hit a tire, ending the chase. In addition to the moonshining charges, John Jones was charged with exceeding 70 miles an hour, reckless driving and failing to obey an officer.

Had Still Materials
Ralph was in a parked truck while the chase was on, police said. In the truck they found 10 60-pound bags of sugar and other material useful in setting up a still.

The elder Jones is currently awaiting a U.S. Supreme Court appeal on a conviction for operating a still in his home in December, 1954, according to the Federal Alcohol Tax Unit here. Since then, officials added, he has been convicted twice in Pennsylvania for moonshining.

Another of Jones' nephews, John Paul Jones, 23, is awaiting federal grand jury action on a charge of operating a still seized by federal agents near here Sept. 1.

SEMINARY GRAD WED SATURDAY IN TANEYTOWN

Miss Vivian Marie Davidson, daughter of Mr. and Mrs. Ralph Davidson, Taneytown, and the Rev. Eugene Austin Gardner, Waynesboro, Pa., son of Mr. and Mrs. Austin C. Gardner, Hagerstown, were united in marriage on Saturday afternoon at 2 o'clock in the Trinity Lutheran Church, Taneytown. The Rev. Stanley B. Jennings, the bride's pastor, and the Rev. Glenn L. Stahl, Waynesboro, officiated at the double-ring ceremony.

The bride, given in marriage by her father, wore a floor-length gown of tulle with an overskirt of net and tulle ending in a slight sweep. The fitted bodice was styled with a high neck and long sleeves ending in points at the wrists. She wore an elbow length veil of tulle and carried white roses.

The maid of honor was Miss Joan Davidson, Taneytown, sister of the bride. She wore a ballerina length dark green tulle gown with a light green sash and matching headpiece, white gloves, and carried pink roses.

Bride's Attendants
Bridal attendants were Misses Eileen and Diana Davidson, sisters of the bride; Miss Carol Lee Gardner, sister of the groom, and Miss Kathleen Weant. Their gowns were of light green tulle with dark green sashes and matching headbands. They wore white gloves and carried pink roses.

Crawford Banks Jr., Taneytown, was the best man. Ushers were Richard Davidson, Taneytown, cousin of the bride, and Joe Culler, Kenneth Keller and Robert Keller, Waynesboro.

Soloist was Henry Reindollar Jr., Taneytown, and the organist was Miss Hazel Hess, also of Taneytown. The church was decorated with gladioli and palms.

Reception Is Held
Following a reception in the church social room, Rev. and Mrs. Gardner left on a wedding trip to Williamsburg, Va. The bride chose as her traveling attire a charcoal princess line dress with black accessories. They plan to reside in Waynesboro.

Mrs. Gardner is a graduate of Taneytown High School and the

Far West Has Fair Weather

By THE ASSOCIATED PRESS
Generally fair weather prevailed today in most of the Far West and along the northeast coast but cloudy and wet weather was the outlook for other parts of the country.

Skies were cloudy in the central part of the country from the Rockies eastward to the Appalachians, with rain hitting most areas during the night. The main wet belt extended from Texas to the upper Great Lakes region.

Scattered showers and thunderstorms hit widely scattered areas in the Southern states.

Torrential rains yesterday hammered the Texas Gulf Coast and wind and hail storms struck parts of the Panhandle. Up to 5 inches of rain fell along the lower Texas coast near Rio Hondo in the Rio Grande Valley.

REUNION IS HELD

The Hess-Bushey reunion was held on Sunday at St. John's Lutheran Church, Littlestown, beginning with a basket lunch. The meeting was held in the basement of the church at which time the following program was presented.

Hymn; Scripture by Mrs. Anna Angell; prayer by Roy Hess; piano solo, Miss Christiana Poffenberger; vocal solo, Sandra Shorb; clarinet solo, John Shorb; piano solo, David Naill. The oldest person present was John Bushey; couple married the longest, Mr. and Mrs. M. Ross Fair; largest family, Mrs. Anna Angell; most recently married, Mr. and Mrs. Harvey Noyes; youngest child, Sarah Angell Noyes; vocal quartet, Wilbur Hess, Loy Hess, David Hess and James Fair; piano duet, the Misses Edith and Hazel Hess; vocal trio, Vesta Null, David and Kenneth Reifsnider. It was decided to meet at the same place next year the second Sunday in September. The officers this year were: President, Hubert J. Null; vice president, David Hess Sr.; secretary, Anna

Frederick Memorial School of Nursing. The Rev. Mr. Gardner is a graduate of Gettysburg College and the Gettysburg Lutheran Theological Seminary. He is the assistant pastor of the Trinity Lutheran Church, Waynesboro.

Out-of-town guests were from Baltimore, Westminster, Washington, D. C., Gettysburg, Hagerstown and Waynesboro.

NO FAVORITES AT BROOKLINE; HARVIE'S GONE

BROOKLINE, Mass. — The golf experts who predicted that Harvie Ward's suspension from amateur competition would make the 57th National Amateur Championship the most evenly contested in years apparently were absolutely right.

There wasn't a solid favorite in the field when the tournament began Monday and there still wasn't one today when 16 survivors moved into another double round of eliminations. That was quite a change from the past two years when the first question was "Who will be playing Harvie in the final?"

Ward, the winner for the past two years, was put on probation early this summer for violation of the rules regarding expense payments.

HURRICANE WILL MISS MAINLAND

MIAMI, Fla. — Hurricane Carrie probably will miss the U. S. mainland entirely and die far out in the Atlantic, forecasters said today.

The season's third tropical storm was about 940 miles east-northeast of San Juan, P. R. and about 1,900 miles east and a little south of Miami.

It had winds up to 90 miles an hour.

The Miami Weather Bureau noted that the storm was spreading slightly, a characteristic of tropical storms as they move north. An advisory at 5 a. m. EST said no important change in intensity was expected during the following 12 hours.

"It looks pretty good as far as the United States is concerned," said Gordon Dunn, chief storm forecaster in the Miami Weather Bureau. "We have reason to be optimistic that the whole East Coast is in no danger from the storm."

The storm should pick up speed and continue northward, Dunn said, but it will be watched for several days more as it moves up the Atlantic.

mained in the field today, when two 18-hole rounds were to reduce it to the four semifinalists. Among the others were one ex-champion, four members of the 1957 U.S. Walker Cup team, one visiting Briton and a rather odd assortment of others including only three real outsiders.

The solid choices to be around for the 36-hole semifinals Friday were Dr. Bud Taylor, the sweet-swinging dentist from Pomona, Calif.; Dick Yost, a tall, strong 27-year-old who now lives in Portland, Ore.; Dick Chapman, the wealthy estate executor from Oosterville, Mass.; and Pinehurst, N.C., who has held both the U.S. and British amateur championships; Hillman Robbins, a lean Air Force lieutenant from Memphis, Tenn.; Kocsis; and Rex Baxter Jr., a solid-built 21-year-old Texan.

Other Outsiders
The remaining outsiders were:

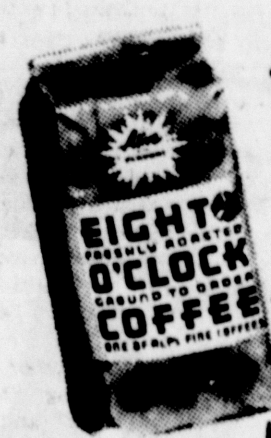

Lawrence Cook, a police officer from Wilmington, N.C.; Alex Scott, a 33-year-old former Pennsylvania coal miner who now lives in Bridgeport, Conn.; and Paul Rodgers, a stubby 19-year-old Californian who was a college teammate of Baxter at the University of Houston.

Taylor, 40, whose beautiful golf swing is the envy of visiting British experts, inherited the favorite's role after the elimination of Billy Joe Patton, Bill Campbell, British champion Reid Jack, Charlie Coe and a few others who had been considered as possible winners.

Pennsylvania High School Football Teams Open 1957 Campaign Over Weekend

HARRISBURG (AP)—The 1957 scholastic football campaign opens full-scale across the commonwealth this weekend with most of Pennsylvania's estimated 50,000 school-boy gridders in line for action.

Well over 800 state high schools have scheduled programs of interscholastic football competition. Pre-season indications are that major conference titles are up for grabs in practically all regions except the extreme southeast.

Here's the situation as it appears by regions:

West—The far flung WPIAL again captures attention with traditionally keen competition slated for the loop crown. A host of new coaches will take over teams, promising a new look in grid action.

Jeannette Is Power
Again this year powerful Jeannette, the 1956 champion is a prime contender, but the school faces a tremendous problem in replacing quarterback Dick Hoak, an ace passer. The club faces Crafton in its opener Friday night and should be an easy winner.

Other promising WPIAL teams and their Friday night opposition: Duquesne, meeting Pittsburgh Central; McKeesport, meeting Glassport; Ambridge against Erie Strong Vincent; Johnstown at Redstone, and Altoona at DuBois.

In the northwestern area the two promising candidates appear to be Strong Vincent and Meadville—again. The Meadville club, traditional sports power in the area meets Greenville Friday night.

Western Conference
In the vast Western Conference—not to be confused with the WPIAL, though there is some overlap of jurisdiction—more than 50 teams will go into action in the coming weeks.

Throughout the conference region, covering most of the west

central counties there is not a single major school with a lengthy win streak to put on the line. The situation points to the prospect of another tie, or near tie, as developed for the crown last year.

Central—Once again Williamsport, which dropped only one game last season, appears an early favorite in the Central Penn loop. The Millionaires open against traditional foe Steelton Sept. 21, but it is not expected the Steamrollers will be able to field the power it developed in previous seasons.

South Penn Race
The South Penn Conference situation is clearer now than before last season—it is completely up in the air. Last season there was a question whether powerful Carlisle could repeat. It could not and there was a tight race. More of the same is expected this season.

Leadership of the Upper Susquehanna region, which has teams overlapping the Western Conference, again appears safely in the hands of Lewistown on the basis of its 8-2 log last year.

East—Two regions dominate the football scene—the anthracite and suburban Philadelphia areas.

The huge Eastern Conference, made up of nearly 60 teams in the anthracite coal region, is expected to crown a new champion, barring some unlooked-for pyrotechnics on the part of defending champion Swoyersville.

Other Contests
Swoyersville opens the season Friday night in a game against Coal Twp., perennial powerhouse of the conference's Southern Division. Other top games in the area Friday include Hazleton and Old Forge; Minersville and Cass Twp.; St. Clair, 1956 Southern Division champion, and Mahanoy City. In the non-loop Big Three—Al-

OPTIMISM IS RUNNING HIGH AT PENN STATE

By CHARLES WELSH
UNIVERSITY PARK, Pa. (AP)—There's a rosy glow of optimism on the campus at Penn State University these autumn days.

lentown, Bethlehem, Easton—Allentown's Canaries are expected to show dominance, though pre-season shots are hard to call on the ancient rivalry.

In suburban Philadelphia loops familiar names are expected to rule again this season.

Lower Merion, which piled up a game average last season of 34.6 points a game, is expected to reign in the Suburban 1 loop, though the squad has been hit by graduation.

On the basis of its record last season, Pittstown could well be the winner again this year of the Ches-Mont.

Forecasters rate the Penn State football team among the strongest prospects in the East. Coach Rip Engle, normally one of football's gloomy prophets, says mildly: "I just hope we're as good as they say we are."

Crop Of Gifted Players

There appear to be two major reasons for this happy situation: 1—The usually gifted crop of husky athletes, equipped this season with a substantial log of varsity experience, facing a major schedule of nine games that looks tough without being a back-breaker.

2—A conclusion that it's better to risk being overrated than overlooked.

Item one could be situation normal for squad and schedule. The Nittany Lions haven't had a losing season in 17 years, the last eight under Engle.

Pigeon-Holed Last Year

The new view on "overlooked vs. overrated" traces to last season when Engle moaned quietly in September of impending disaster without the great Lenny Moore. Then Rip mustered a two-team squad that won six games. It lost to Army 14-7 and Syracuse

13-9 and wound up in a 7-7 tie with Pitt.

Engle and Lion fans thought State was entitled to a bowl bid and the Lambert Trophy last year. But Pitt and Syracuse got the bowl games and Syracuse the mythical Eastern title trophy despite a 14-7 loss to Pitt.

One guess was that Penn State had been pigeon-holed before the season started and the forecasts outweighed the Lion achievements.

Wide-Open Passing Team

State looks like a wide-open passing team with quarterback Al Jacks pitching to five veteran ends, all 6-footers. Some scouts said Penn State had the best covey of ends in the East last year. Les Walters, Paul North, Jack Paris, Ron Markiewicz and Romeo Panozzo all are back.

Jack will be a key man as the replacement for Milt Plum, now with the Cleveland Browns. He'll pass, punt and call signals. There are four veteran fullbacks, including 220-pound Maurice Scheicher.

Biggest problem is at tackle where there's size but only one letterman. Engle also needs to find help at guard for Captain Joe

SEEK TO BLOCK USE OF LITTLE LEAGUE'S NAME

LEWISBURG, Pa. (AP)—Little League Baseball, Inc., which directs the international operations of the baseball for boys movement is seeking court action to stop a local group in Williamsport, home city of the Little League, from using the Little League name.

A petition submitted to U.S. District Court yesterday in the name of Peter J. McGovern, president of Little League Baseball, Inc., asks the court to prohibit the original Little League, Inc., of Williamsport from using the name and emblems of the international organization.

which has its headquarters in Williamsport has more than 4,500 leagues throughout the world franchised to use the name and emblem. It has been granted a federal trademark registration and exclusive rights to the use of the Little League name.

The petition states that original Little League, Inc., was franchised in 1955 by the international group but that the franchise was not renewed.

The court withheld a decision on the petition.

The Little League movement for boys to 12 was begun by a former Williamsport soft drink salesman in 1939 and Little League Baseball, Inc., was incorporated in New York state in 1950. It has gone to court several times in recent years to prevent unauthorized local groups from using the Little League name.

Countdown Enrolls At Penn State

John C. Steiner, son of Mr. and Mrs. Marold M. Steiner, Windbriar Lane, Gettysburg R. 2, entered Pennsylvania State University on Monday where he plans to take a pre-medical course.

A graduate of Biglerville High School, Steiner has been the recipient of the following awards and honors: Alumni scholastic award, Pausch and Lomb, and American Chemical Society science awards, and county, district and state Hi-Y awards.

He was a member of the National Honor Society, a delegate to the Southern District Choral Festival, president of the a cappella choir, editor of the yearbook, president of the Adams County Hi-Y Youth Council, vice president of the District Hi-Y Youth Council, and member of the Senior band.

LITTLESTOWN TOWN BOARD MEETS TUESDAY

The Littlestown Borough School Board of the Littlestown Jointure met on Tuesday evening at the high school for its monthly session with Wilbur E. Mackley, vice president presiding. Receipts were reported as follows: From LeRoy W. Bish, tax collector, 1956 per capita tax, \$1,302; 1956 real estate tax, \$1,427.27; 1957 per capita tax, \$3,528; 1957 real estate tax, \$8,271.20; from the Commonwealth of Pennsylvania, \$175. Expenditures included: \$12,935.35 to the Littlestown Joint School System; \$217.35 bond on tax collector; \$431.44 paid to LeRoy Bish, commission on taxes collected; \$2,300, paid to the Littlestown National Bank on a temporary loan; \$15 to the auditors, Paul E. Renner, Chester S. Byers and Harry O. Harner. Present at the meeting were Vice President Mackley, Henry E. Walkman and Lloyd E. Crouse, and Luther W. Ritter, secretary. The board will meet again on Tuesday, October 8.

The Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226, will sponsor a public party at the F.O.E. Home, W. King St., tomorrow, beginning at 8 p.m.

Miss Jane Barton, daughter of Mr. and Mrs. Wilbur Barton, Lumber St., has enrolled as a freshman at Lycoming College, Williamsport, Pa. A 1957 graduate of the Littlestown High School, Miss Barton was accompanied to Williamsport on Tuesday by her parents and sister, Joan.

Hold Board Of Review
There was a large attendance at the meeting of Boy Scout Troop No. 84 held on Wednesday evening at Scout headquarters on West King St., when a board of review was conducted by Charles E. Ritter and Luther D. Snyder, troop committeemen. Three boys, Donald Selby, Ronald Brown and Ronald Smith, passed the board of review, and were advanced to Second class Scouts. Merit badges were passed by Donald Arbogast, for citizenship, first aid and coin collecting; Richard Hornberger, art, personal fitness and life saving; Paul Bowman, camping; Robert Hahn, life saving, canoeing and swimming.

Next Wednesday, there will be a program on safety, with a guest speaker to be secured by assistant Scoutmaster James P. Hahn.

After the regular session, there was a meeting of the patrol leaders and Scoutmasters to make plans for the Appalachian Trail hike, early in October, and to discuss other fall activities of the troop.

Class Votes Donation
A contribution of \$50 was voted by the members of the Ever Willing Sunday school class of St. John's Lutheran church toward the cost of blacktopping the parking lot at the church at the monthly

Called A "Hoax"

The city's mayor, Woodrow Mann, a critic of Faubus' use of the troops, called this statement a hoax. After the troops had been keeping the Negro children from school two days, Mann said: "The Little Rock police have not had a single case of violence reported to them."

What evidence of threatened violence did Faubus have? He's never revealed it. Asked by newsmen last Monday when he would disclose the information, he said: "Sometime when it can be done without violating confidences and without jeopardizing to myself in litigation that might arise."

If he has such evidence he no doubt will be asked to produce it. Sept. 20 when he—or his attorney general—has to go to Judge Davies' court to show why he shouldn't be ordered to let the Negro children into school.

meeting of the class Tuesday evening at the home of Mrs. Anna Weaver, Cemetery St. The program featured a song fest, and with each song Mrs. Weaver read a brief history of the composer. She also read scripture and a poem entitled "Prayer." There were sentence prayers by the group also.

Reports were given by Mrs. Janet Reaver and Mrs. Mary Beamer. Mrs. Janice Myers and Mrs. Reaver were appointed as the October flower committee. Details concerning the class' planned trip to Washington on Sunday, Sept. 22, were discussed. They will go by bus leaving at 7 a.m., and each member will take a box lunch. Refreshments were served on Tuesday evening by the hostess.

The next meeting will take place on Tuesday, Oct. 8, at the home of

SEEK PACT TO AVERT PHONE STRIKE MONDAY

NEW YORK (AP)—A spokesman for the Western Electric Co. says he sees a strong possibility that negotiations today with telephone equipment installers will lead to agreement and avert a nationwide strike set for Monday.

In Washington yesterday, Joseph A. Beirne, president of the Communications Workers of America, announced that 54,000 CWA members would walk off their jobs at 6 a.m. (local time) Monday in all states except Maine, Vermont and New Hampshire. Also affected would be the District of Columbia.

In New York last night a spokesman for W.E. manufacturing arm of the Bell Telephone System, said at the end of a negotiations session:

May Break Deadlock

"The union indicated a strong possibility of a break in the deadlock tomorrow, at the resumption of bargaining."

If this should happen, the spokesman said, "we have every reason to believe that a settlement can be reached well before Monday."

Beirne, in setting a date for the strike, expressed hope the contract dispute could be settled before the deadline.

Beirne said that, in event of a strike, picketing of exchanges in major cities would keep about 146,000 other telephone workers, including operators, from their jobs.

The union has been working without a contract since Aug. 26. CWA workers make and install telephone office equipment. A strike would have little immediate effect on local telephone service in communities with dial systems, except in event of equipment breakdown. A walkout probably could cripple long-distance phoning.

The dispute centers mainly over wages and length of a new contract.

Beirne said management has offered wage increases averaging about 9 cents an hour. He said the union wants an average boost of 11 1/2 cents. The company has been demanding a three-year contract, while the CWA seeks a one-year pact.

Pupil Activities Program At GHS Drew Praise From Committee Of 16

Faculty, Student Body And Administration Shared In Commendation From Schoolmen

The Committee of 16 educators that evaluated Gettysburg High School three years ago — and whose report only recently was made public — praised the high school faculty, student body and administration for the Pupil Activities program they found in operation there in March, 1954.

The faculty and students were commended "for their wholehearted participation in those activities." The administration and the faculty shared the committee's praises for "the high calibre of assembly programs presented."

The visiting educators noted also "the excellence of the school newspaper, the 'Maroon and White,' which the committee judged well above average in content, make-up and wide student participation."

Other Favorable Comment

The integration of the speech and dramatic activities with the English class activities also was favorably noted by the committee. Further commendation was listed for the Saturday night community recreation activities the committee found at the school as was the centralized account system "and the manner in which it was maintained" at the school.

The Committee of 16, with Principal Richard K. Smith of the Springfield Twp. High School at Springfield, Delaware County, as its chairman, had some recommendations to make, however, on the Pupil Activities program as they found it at the local high school.

stated this way:

"That a study and analysis of pupil interests and needs be made to further develop the activities program."

"That an activities council be organized to formulate pol-

icies and objectives for the activities program.

"That the present requirement of 1.5 average for representation on the Student Council be studied. It does not seem a truly democratic limitation on membership and representation."

"That the Student Council meet more than bi-weekly. This does not seem to be adequate time to carry out its business."

"That more effective use be made of the home room program for guidance purposes."

"That more time be allotted for home room programs and that further study toward this end be made."

"That speech activities be expanded possibly through a separate department."

The next section of the committee's report dealt with library services and included a list of a dozen recommendations for improvements, one of the long lists of recommendations of any division of the report.

Before New Library

It should be pointed out in this connection, however, that the evaluation was made before the present library facilities had been created at the school with the conversion of the old auditorium into a library and conference rooms.

When the Committee of 16 was at the school, the work on the addition of the classroom-auditorium wing was just getting underway and the changes that were made in the original section of the building had not been started. A number of the committee's recommendations had to do with the physical aspects of the library quarters and consequently are not

applicable now. Some of the other recommendations, which are listed below, also have been carried out by this time:

Other Recommendations

"That more use be made of the library by all the teachers in the school; that audio-visual materials be centrally indexed regardless of where they are housed; that printed H. W. Wilson cards be purchased to relieve the librarian of some of her clerical work; that the 'Educational Film Catalog' and the 'Filmstrip Guide' be used to further the audio-visual program; that 'Subscription Books Bulletin' be subscribed to for use in checking subscription books and sets of books."

"That copies of all courses of study be placed in the library; that a professional library be built to assist the faculty in in-service training; that bibliographies in all subject fields and on various reading levels be prepared in cooperation with the class room teachers and that monthly reports be submitted to the principal and superintendent."

Commendations Too

The library service at the high school as the Committee of 16 found it drew these commendations:

"The librarian for her excellent work under somewhat adverse conditions and for her grasp of the school set-up and her pleasant and cooperative attitude toward pupils and teachers;

"The efficient organization and use of library assistants in carrying out the activities of the library."

"The forward looking attitude of librarian and administration in planning for the new library."

"The fine cooperation that apparently exists between the school and public libraries."

"The school board and administration for recognizing the limitations of the present library facilities and their action in planning to correct the situation by the construction of new and improved facilities."

"The superintendent and School Board for furnishing adequate provision for library funds in the budget."

Guidance Services

The guidance services provided for pupils at the Gettysburg High School shared in the favorable comments handed out to every phase of school life by the Committee of 16. "The Committee commends the guidance counselor for the efficient manner in which she is carrying out the many and varied activities connected with her job. She is further commended for the amount of individual counseling she has been able to do under the circumstances," the committee wrote.

Further commendation for the counseling department was noted as follows: "The committee commends the preparation of both the counselor and the nurse and the excellent cooperation that seems to exist between them, the friendly understanding between counselor and students as expressed by the students in the group meeting, and the fact that each pupil's program of studies is developed on an individual basis."

Some Suggestions

Recommendations for the counseling department were listed as follows:

"That certain duties now performed by the counselor be reassigned or that additional guidance personnel be added to relieve the overloaded situation; that telephones be provided for both nurse and counselor; that the files be centralized and the office of the counselor be set up adjacent to that of the principal;

"That at least one IQ test be given to all students in the senior high school; that the testing program be put in the hands of some one engaged for that work. The idea of securing a psychologist for the district should be investigated and that the services of a man be secured to handle guidance for the boys."

22 Institutions

Get Federal Aid

WASHINGTON (AP) — Twenty-two colleges, universities and hospitals filed applications in August with the Community Facilities Administration for college housing loans totaling \$2,423,000. DFA said today.

The loans are sought to provide housing for student nurses and interns.

CFA said it has not acted on the applications and is announcing their receipt to enable private lenders to negotiate with the institutions if they desire.

The applications include: Pennsylvania — George F. Singer Memorial Hospital, Danville, \$250,000; Harrisburg Hospital, \$750,000; Pennsylvania Hospital, Philadelphia, \$425,000.

INDICT EIGHT ON CONSPIRACY LIBEL CHARGES

NEW CASTLE, Pa. (AP) — Eight New Castle residents were indicted last night for conspiracy and libel of candidates in the distribution of literature prior to last May's primary election.

The grand jury also made a presentment for the indictment of Republican Dist. Atty. Perry L. Reeher of Lawrence County and two other persons, including a county detective. But Judge Burton R. Laub of Erie County ruled the presentment invalid.

Indicted were Ben Ciocone, Adolf DiGennaro, Frank Natale, Samuel F. Asclone, Patsy A. Dando, Frank Acquaviva, Edward E. Tucker and Mrs. Sally Saunders.

Can't Find Woman

State police arrested the seven men Aug. 26 after a lengthy investigation. Police issued a warrant for Mrs. Saunders but have been unable to locate her.

The eight were charged with distributing unsigned literature of an obscene nature attacking Howard Lyon, candidate for the Republican nomination for district attorney; sheriff Frank L. Coen, who was seeking nomination for re-election on the GOP ticket; and several other prominent persons not running for office.

In its presentment recommending indictment of Reeher, the grand jury said he unlawfully conspired with Acquaviva to defeat Lyon.

Also recommended for indictment were county detective Russell E. McNahy for perjury and Anthony Marmo of New Castle for conspiracy.

Cites Court Decision

Judge Laub, who heard the grand jury's report after two Lawrence County judges disqualified themselves, questioned the jurors and ascertained they had made the presentment on the basis of testimony heard during a three-day session.

Citing a Pennsylvania Supreme Court decision, Judge Laub ruled the grand jury was not empowered to recommend indictment on that basis but only on the basis of personal knowledge or by order of the court.

Judge Laub said a complaint would have to be filed and a preliminary hearing held before the grand jury could act in the cases of Reeher, McNahy and Marmo. Frank P. Lawley, deputy state attorney general appointed to present the case to the grand jury, said he would confer with Atty. Gen. Thomas D. McBride whether to file a complaint.

Trial In December

McBride superseded Reeher in the presentation of all cases to the September grand jury.

After receiving the grand jury report, Judge Laub granted a motion of Lawley that trial of the eight indicted persons be continued until December.

Taneytown

TANEYTOWN — The Taneytown Volunteer Fire Company responded to four alarms and the ambulance was called ten times during August it was announced at a recent meeting of the firemen.

The firemen will attend the "I Am An American" day parade in Baltimore Sunday. Fire Chief Miller reported that a fire school course will be held for all interested members starting September 24. Twenty-eight members attended the meeting.

The annual Taneytown boys 4-H Club picnic was held at the home of Mr. and Mrs. Clyde Wilhite Sunday. There was a ball game, table tennis, bicycle riding, and a wiener roast. Watermelon was also served. Those attending were: Mr. and Mrs. Harvey Dickerson and children.

Libel of candidates is a charge under a state law prohibiting distribution of unsigned political literature or the distribution of literature of a political organization identified in the literature.

ADMIT MORE IMMIGRANTS

WASHINGTON (AP) — The United States opens its gates today to the first of more than 60,000 immigrants made eligible for admission under a new law.

President Eisenhower signed the new immigration bill into law yesterday.

In various parts of the world, U.S. consular offices were set to begin processing visas under the program designed to ease some of the hardships growing out of the nation's immigration laws.

Mark Mencken's 77th Birthday

BALTIMORE (AP) — Admittedly apprehensive about what he might have thought of the idea, some of the boys set out to honor H. L. Mencken today on the 77th anniversary of his birth.

A highlight of the tribute to the late newspaperman, caustic critic and literary scholar was a half-hour television show, including the dedication of a memorial plaque.

Inscribed on the plaque were Mencken's name, the dates of his

immigrants will be eligible for admission to the United States, State Department officials said.

This total is expected to include 14,556 refugees from Communist countries, 4,000 orphans adopted by American citizens and 36,000 persons ticketed for admission under special nonquota status.

Eisenhower said the bill makes a number of improvements in immigration practices but ignored several of his recommendations for major revisions of the nation's basic immigration law.

birth and death (Jan. 29, 1886), the work he did ("newspaperman, author, editor, critic, philologist") and the epitaph he wrote for himself in 1951: "If, after I depart this vale, you ever remember me and have thought to please my ghost, forgive some sinner and wink your eye at some homely girl."

An old law in Vermont once required that conductors of railway trains read passages from the Bible to passengers travelling on Sundays. Population of Canada is 16,589,000.

The Bermudian Springs Jointure held its first PTA meeting of the year at the York Springs fire hall with the vice president, Mrs. Edward Smith, presiding. Group singing was led by Dale Roth with Mrs. Roth at the piano. Due to insufficient number of first grade parents attending the meeting they were unable to have a panel discussion as planned but had a general discussion on "The Child's First Year At School." A membership drive was started. The next meeting will be held October 14 at 8 o'clock in the high school building.

Army Dredge Sinks After Collision

COOS BAY, Ore. (AP)—A huge Army dredge sank in Coos Bay channel Tuesday night minutes after it was rammed by a Norwegian freighter. Three members of the dredge crew died, another was missing and six were injured.

There was no casualty aboard the freighter, the 375-foot Thorshall, which was outbound for San Francisco with a crew of 35.

The dredge, the 268-foot Rosell, sank to the bottom of the shallow channel within five minutes. The prow of the freighter knifed into its port side, breaking open two of its three water-tight bulkheads.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Gov. Orval Faubus of Arkansas now has his chance to back down more or less gracefully and still, as a politician who may want a third term, reap some political benefit for himself. But this situation could be a dilly if he wanted to keep on bucking the federal government.

Federal Judge Ronald N. Davies has directed Faubus to explain Sept. 20 why he should not be ordered to stop using the state's National Guardsmen to keep Negro children from a Little Rock school which Davies three times has ordered integrated.

The Justice Department seems to take it for granted Faubus can't justify using the troops the way he has, and it seems certain that Davies will issue an injunction ordering him to stop.

It is possible Faubus will seek

a third term as governor—an unusual thing in his state. Even if he obeys a court order and calls off his troops, he probably already has won the gratitude of those in Arkansas who are segregationists. Faubus says a majority of Arkansians are.

If he refused to obey the order he could be cited for contempt of court, tried and jailed. This might strengthen his position with segregationists because then he would be in the role of a martyr.

But he's already done more—at least in a spectacular way—than any other Southern governor to oppose school integration. He may feel that's enough and so comply with a court order to stop preventing integration.

Some Obstacles
These are some of the things which could happen if he wanted to be stubborn:

If he were ordered to stop using the troops to keep Negro children from school, he could appeal to the U. S. Court of Appeals to set Davies' injunction aside.

But until the appeals court acted, he would have to obey the injunction or face contempt of court charges. And if he disobeyed, he could be tried even though the appeals court later set aside the injunction.

Suppose, having disobeyed the injunction, he stayed in his mansion, surrounded by guardsmen who were instructed to prevent a U. S. marshal from serving Faubus with an order to appear in court for trial. What then?

It probably wouldn't happen.

Mummasburg

MUMMASBURG — Mrs. Coulson and Mr. and Mrs. Charles Leatherman, Harrisburg, were Sunday visitors at the home of Mr. and Mrs. Harry Harmon and Mrs. Nellie Leatherman.

Mrs. Bruce Patterson and Mrs.

since Faubus already has respected the court to the extent of accepting from a marshal an order to appear in court Sept. 20 for the injunction hearing.

But suppose he did? The prospect then, as lawyers here explain it, would get completely dizzy. This is how they see it:

If he didn't appear for trial on contempt charges, the judge could find him guilty in his absence—say on a civil contempt charge—and order him jailed until he complied.

If, meanwhile, he stayed in his mansion and kept the troops around the school to bar Negro children, the judge could impose a fine on him for every day he defied the injunction.

If he stayed guarded in his mansion until his term was up, he could then be seized and would have to pay all the fines he owed. Further, he could also then be tried for criminal contempt and given a flat jail sentence.

Meanwhile the guardsmen, individually and collectively, could be enjoined from keeping Negro children out of the schools. If they disobeyed, they could be charged with contempt and tried.

Rowe, Emmitsburg, were Sunday visitors at the home of Mrs. Margaret White.

SURPRISE VISIT TO CAIRO BY 2 TOP SYRIANS

CAIRO (AP)—An urgent, surprise visit to Cairo by Syria's two military strong men today underlined the deepening concern of the two Arab allies over the smoldering Syrian crisis.

Brig. Afif Bizry, leftist commander in chief of the Syrian army, and Lt. Col. Abdel Hamid Serraj, army intelligence chief, flew here yesterday. They went into immediate conferences with President Nasser and Egyptian military leaders.

As they met, Syria's Acting Defense Minister Khaled Azem said in Damascus he does not believe aggression against Syria is imminent. But he added that Syria has taken "all defensive measures to face every possibility."

Talks To Reporters
Azem talked with reporters after a Cabinet session devoted to what an official statement called "development of the situation in the light of the Soviet and American foreign ministers' statements on Syria."

They referred to the warning to Turkey and the West by the Soviet Union's Andrei Gromyko against any military moves on Syria and to Secretary of State Dulles' view that the current crisis will be settled without war.

One Syrian official said both statements "have considerably pushed back the threat of anti-Syrian aggression."

Arab emphasis continued to shift to the line that Israel might seek to take advantage of the current Middle East crisis and attack Syria.

In Jerusalem, Israel's Foreign Ministry spokesman Moshe Lesem said talk of an Israeli attack "is pure propaganda."

Grip On Life

William Connaughton, 27, his feet on a four-inch steel girder and holding top of pedestrian walk, ignores hand reaching toward him on George Washington Bridge in New York. He clung to precarious perch for almost three hours before he was talked out of jumping into Hudson River 260 feet below. Connaughton, who blamed ill health and domestic difficulties for his action, was taken to a hospital. (AP Wirephoto)

Railroad Revenue Less Than Reported

PHILADELPHIA (AP)—A resurvey by the Pennsylvania Railroad of its income from commutation tickets shows about half a million dollars less a year than was previously reported.

The revised figure was submitted to the Public Utility Commission by the railroad yesterday. Income of \$3,923,906 was reported as compared to \$4,476,067 offered in evidence Tuesday. Costs were about double, the PRR said.

The revised figure was the result of a recalculation asked by the PUC and Harold E. Kohn, transit counsel for the City of Philadelphia. Both the PRR and the Reading Railroad have asked

SAY U. N. WILL CENSURE USSR OVER HUNGARY

UNITED NATIONS, N.Y. (AP)—Informed delegates predicted today the U.N. General Assembly will adopt a resolution condemning Soviet interference in Hungary late tomorrow.

They said that 50 or 55 of the 81 U.N. members would vote for the resolution, only the nine-nation Soviet bloc would vote against it and that 17 to 22 would abstain.

That would give it the approval of well over the necessary two thirds of those voting—but less than the average of about 67 votes cast for the Assembly's 10 previous resolutions on Hungary.

See More Abstentions
Some delegates said there would be more abstentions this time because sponsors refused to eliminate a sentence saying the Assembly condemns the Soviet Union's acts in Hungary and its continued defiance of earlier resolutions calling on Russian troops to withdraw.

The pending resolution also

would ask Prince Wan Wai-thayakon of Thailand, Assembly president, to serve as the Assembly's special representative on the Hungarian problem and "take such steps as he deems appropriate."

One aim is to force Soviet troops that crushed the popular uprising in Hungary last fall to go home. Another aim is the establishment of political independence in Hungary.

The resolution endorses a report from the Assembly's special committee on Hungary finding that massive Soviet armed intervention put down a spontaneous national uprising.

SUSPICIOUS DRIVING
LOS ANGELES (AP)—It was a little more than Thomas R. McQuade could take when he had the second flat of the day on his new station wagon. So he kept going, police reported, at speeds in excess of 55 m.p.h. The tire shredded and fell off the wheel, the wheel itself fell apart. He was booked on suspicion of drunk driving.

DEFENSE SAYS LIBEL TRIAL IS "WITCH HUNT"

LOS ANGELES (AP)—The State of California is trying to put Confidential out of business in a "witch hunt," the defense has contended at the magazine's criminal libel trial.

"The indictments were returned not to punish someone but to put a magazine out of business," Atty. Arthur J. Crowley said yesterday in his final argument to the jury.

"Confidential has the biggest newsstand sale in the nation. A very large segment of the public reads it. It has a circulation of four million copies with at least 20 million readers."

Crowley told the jury that the issue of freedom of the press is at stake.

"When you start encroaching on freedom of the press, where do you end?" he asked. "When you start out censoring you end up with book-burning. You may not like Confidential, but that doesn't mean you have the right to tell others that they

17 Young People To Be Confirmed

The Spring Confirmation Class will be confirmed into membership of charge churches at a confirmation service to be held in St. Paul's United Church of Christ, Red Run, Sunday at 2:30 p.m. The Rev. Robert H. Rezash will preach the sermon and read the liturgy of confirmation. James Jackson will serve as liturgist for the service and Charles Sipe Jr. will serve as the marshal for the processional and recessional.

The class includes the following young people: Mary Hull, Bonita Scheib, Pamela Oberlander, Phyllis Bankett, Marilyn Bankett, Helen Angell, Terry Angell, Sally Inskip, Harry Hoff, Mary Schmuck, Keith Schuck, Barbara Wanz, Fern March, Richard Leathery, Collin Alland, Janet Berkheimer and Allen Wolfe.

can't read it. If all he books that are not for teenagers and adolescents are taken away, you will end up with suppression of thought."

Confidential and its sister magazine Whisper, and Marjorie and Fred Meade and the Hollywood Research, Inc., which they set up, are charged with conspiracy to commit criminal libel and to publish lewd and obscene matter.

CANCEL CHARGE
SAN RAFAEL, Calif. (AP)—A long distance telephone call to Philadelphia was listed on the bill of Mr. and Mrs. William J. Mazzini. They know no one in Philadelphia. They were asked if daughter Betsy Ann, 2½, "ever plays with the telephone?" she does. The phone company cancelled the charge.

Segregation Is Dissolving Slowly; Color Barriers In Seven Southern States Hold

By JIM THOMASSON

ATLANTA (AP)—Like sugar lumps in a spatter of rain, public school segregation in the three years since it was held invalid by the U.S. Supreme Court has been dissolving slowly in a spotty pattern toward the heart states of the Deep South.

There is some indication the action, mostly peaceful but marked by occasional violence, may go even more slowly, the deeper south it penetrates.

But of the 17 states which maintained separate schools for white children and Negroes prior to May 17, 1954, only in the seven citadels of traditional racial separation—Alabama, Florida, Georgia, Louisiana, South Carolina, Mississippi and Virginia—are all public classroom color barriers still intact today.

And in several of them, the practice is under strong legal attack.

Integration has proceeded inward from the border states. White and Negro pupils now sit in the same classrooms in at least some schools in Arkansas, Delaware, Kentucky, Maryland, North Carolina, Tennessee, Oklahoma, Texas, Missouri, West Virginia and the District of Columbia.

But the Southern School News reports in its latest edition that while 738 school districts have begun or accomplished desegregation since 1954, there remain 2,300 "bifurcated districts still tightly segregated." Southern School News is the publication of the Southern Education Reporting Service, a fact-finding agency created to compile information on developments arising from the Supreme Court decree.

Most of those 2,300 districts are, of course, in the Deep South states, but segregation areas also remain in virtually all of the border states, contributing to the spottiness of the overall picture.

Each of the three new school terms since the Supreme Court said that separation of children in public schools on the basis of race alone is unconstitutional has brought a flareup of disturbances.

Demonstrations hit areas in West Virginia, Delaware, Maryland and West Virginia in 1954. Last year, Clinton, Tenn., Sturgis and Clay, Ky., and Mansfield, Tex., were the trouble spots.

Little Rock, North Little Rock, Ark., and Nashville, Tenn., are the center of attention now.

But less well known have been demonstrations in such places as San Antonio, Tex., Oklahoma City and Tulsa, Okla., Kansas City and St. Louis, Mo., Louisville, Ky., and Hoxie, Ark.

EXTEND TIME TO LAY CURBS IN M'SHERRYSTOWN

The McSherrystown borough council at its regular meeting Monday night took steps to co-operate with property owners in the borough on the laying of curbs, gutters and sidewalks along new streets and on others that have been accepted as part of the town street system in the past.

At last month's session, an ordinance was adopted with a 30-day time limit for such construction. A group of property owners appeared at the meeting to protest the regulations in the ordinance, pointing out they could not have the work done in the specified time. Notices had been sent out for the laying of curbs only so that street improvements could be started.

Will Extend Time
Council announced after consideration of the protests that the notices will not be effective. Property owners will be sent letters to this effect.

Council will take under consideration a plan to lengthen the time limit for curb construction and this will be announced later.

The resignation of Harry P. Walter as a member of council was presented and accepted with regret. His successor may be appointed at the October meeting.

Police Chief Mannard Masemer informed council that he is enrolling extra police to serve on traffic duty during football games.

Members of the health board informed council that the Adams County Health Board would be asked for help to remedy conditions that exist at a property on Main St.

An ordinance was approved for final passage to regulate the burning of refuse and trash outdoors. It will set time limits and specify the type of container in which the fire may be built.

The Australian government estimates that the continent could support 25 million people, nearly three times the present population.

Isiah Green May Be Youngest Person Executed In State

HARRISBURG (AP) — Isiah (Deuce) Green, 15-year-old Philadelphia sentenced to die in the electric chair for the murder of a 75-year-old druggist, would become the youngest person ever executed in Pennsylvania if the sentence is carried out within three years.

Since Pennsylvania's electric chair was first used in 1915, the youngest murderer electrocuted to date was Alexander McClay Williams of Delaware County. He was executed in 1931 about a month and a half before his 19th birthday.

Justice Robert E. Woodside of the State Superior Court, cited the Williams execution as the youngest on record in an opinion he wrote several years ago while sitting on the Dauphin County bench. In that case Woodside sentenced a 14-year-old boy to life imprisonment for the murder of a 3-year-old girl.

Admitted Shooting
Green pleaded guilty to shooting the druggist in a Philadelphia holdup. He was sentenced Monday by Judge Byron A. Milner.

Most state officials were reluctant to comment on the Green case although at least one, Col. E. J. Henry, state police commissioner, thought it was a proper sentence. Henry said that "if they (children) are old enough to go out and deliberately kill people I see no reason why they shouldn't be dealt with the same as anybody else."

Gov. Leader refused to comment because "the matter has not been called officially to my attention" and "I am not in possession of the full facts."

Decline To Comment
Arthur T. Prasse, commissioner of corrections, maintained that "every case is different. I wouldn't want to say anything."
Judge Woodside said that as an appellate court judge, "I feel I should not comment on any case of this kind."

Members of the Pardons Board had similar feelings. Lt. Gov. Roy E. Furman, chairman, said, "It strikes me as rather unusual but I have no thoughts about it at this time."

Genevieve Blatt, board member, said, "I would not want to seem to prejudice any case which might come before the board but anyone who knows the difference between right and wrong—regardless of age—must be held fully accountable for his actions."

Opposes Death Sentence
Another board member, James

A. Finnegan, secretary of the commonwealth, said that he hesitates to make any comment because whatever he said "could be construed to prejudice a case which may eventually come before the board."

The Rev. Richard T. S. Brown, a member of the State Parole Board, declared he is opposed to capital punishment "but except for the death penalty I'm for the maximum punishment that the law allows for heinous crimes."

46 SUPPORTERS LEAVE PREMIER

BANGKOK, Thailand (AP) — The pro-Western government of Premier P. Pibulsonggram was shaken Wednesday by the loss of 46 supporters in the National Assembly.

Marshal Sarit Thanarat, commander in chief of the army and long a powerful supporter of the Premier, led the resignations of the 46 military members from the administration party yesterday.

This influential bloc appeared ready to join the opposition, which favors closer ties with Red China and withdrawal from the U.S.-sponsored Southeast Asia Treaty Organization.

Those who left the Pibulsonggram's Seri Manangasili party were officers of the army, navy and air force who were appointed to their seats in the 286-member Legislature.

While the Premier appears to retain a 158-128 majority, the defections are bound to increase the influence of the opposition.

Trouble began when Pibulsonggram ordered Cabinet ministers to drop their private business interests or resign. Sarit, a director of a number of businesses, resigned as defense minister Aug. 21.

FT. CARSON, Colo. (AP)—The second of eight Army enlisted men charged with mistreating basic trainees was acquitted by a special court-martial Tuesday.

Sgt. Jack Riley, 27, of Brunswick, Ga., was cleared of charges that he withheld trainees' mail, called an 11 p. m. formation while drunk, and punished two trainees for refusing to buy company stationery.

Two more enlisted men have yet to stand trial on similar charges. Four others have been convicted.

PREDICT COAL EXPORTS WILL EXCEED RECORD

WASHINGTON (AP)—A coal industry official today stood by previous predictions that 1957 coal exports will substantially exceed earlier records.

John S. Routh, president of the Coal Exporters Assn. of the U.S., Inc., said export shipments of American coal should total between 59 and 61 million tons, compared to last year's record 51,054,171 tons.

And this, Routh said, does not include shipments to Canada which probably will reach between 22 and 23 million tons for the year.

More Export Buying
Routh said he formed his opinion after reading many differing estimates of this year's export volume published recently. His figures, he explained, represent

the opinion of the Coal Exporters Assn.

"Since Labor Day," said Routh, "there has been a considerable resumption in buying in the export market which reflects a stabilization of ocean vessel rates at a very low level. This permits the foreign buyers to fill their coal requirements with U.S. purchases at a lower delivered cost."

The 1956 overall coal export total included some 48,152,178 tons of bituminous coal and 2,901,993 tons of anthracite. A similar proportion is expected this year.

In a vein similar to Routh's prediction, a special congressional report noted that forecasters believe there will continue to be an appreciable overseas export market for bituminous coal from the United States.

Fear With Fluctuations
"However," the report added, "it is pointed out that wide fluctuations in demand from this market may occur as it has in recent years."

The report was prepared after a 15-month study of coal industry problems made by a special House

Coal Research subcommittee, headed by Rep. Edmondson (D-Okla.).

On the basis of its study the committee recommended using federal funds for research into new uses for coal and easing of the tax burden on the industry by revision of depletion allowance rates. Both recommendations have been written into proposed legislation to be considered next year by Congress.

High Anthracite Price
The report said the price of anthracite, substantially higher than for bituminous coal, has "precluded its use in significant amounts in overseas markets except during periods of heavy demand for coal in foreign countries."

The resurgence of western European industry since World War II and the failure of European mines to produce sufficient coal seem to have produced one of these periods of heavy demand.

Tammany Leader Carries District

NEW YORK (AP)—Tammany Hall leader Carmine G. DeSapio on Tuesday beat down a challenge to one of his Democratic party positions—leadership of his home district.

DeSapio defeated Herman Greitzer, a lawyer, as voters throughout the state participated in primaries. No statewide office was involved.

In addition to leadership of his Greenwich Village district and of Tammany Hall, the Manhattan organization of his party, DeSapio is a Democratic national committee member and secretary of state in Gov. Averell Harriman's administration.

Mayor Robert F. Wagner, a Democrat, and Republican Robert K. Christenberry, a hotel executive, were nominated without opposition to run in the mayoral election Nov. 5.

Want Increase In Price Of Milk Because Of Drought

PHILADELPHIA (AP) — Witnesses at an emergency federal-state hearing have testified increases of 40 cents to \$1.40 a hundredweight in milk prices are needed to offset losses due to drought in four Eastern states.

Dairymen from southern Pennsylvania, Maryland, Delaware and New Jersey told the hearing on Tuesday the losses would put many farmers out of business and cause a sharp cut in milk supplies by spring unless there is quick relief.

The testimony came at the end of a two-day hearing held by C. Osmond Hyde, chief hearing examiner for the U. S. Department of Agriculture, and three members of the Pennsylvania Milk Control Commission. The sessions were sought by the Interstate Milk Producers Cooperative.

Had No Pasture
Corn crops in Mifflin, Juniata and Perry counties have ranged from zero to 60 per cent of normal, according to James M. Rodgers of McVeytown, Pa. He said there had been virtually no pasture since mid-July and that silos formerly filled by the yield of six acres now required 1 to 20 acres of yield.

"We are feeding December's hay now and the first of February will find every one in my area in dire need," Rodgers declared. He said water is so short in the Belleville area farmers are hauling water by horse and buggy on Sunday. Belleville is in the Amish country of central Pennsylvania.

Ask Emergency Boost
Rodgers and A. R. Marvel of Easton, Md., both officers of the Interstate Cooperative, urged that farmers be granted an emergency price increase of 40 cents a hundredweight now and that conditions be reviewed again in December. Arthur C. Harvey of West Grove, Pa., and Harry Rhodes of Oxford, Pa., who represented two Chester County cooperatives, said the price increase would perhaps have to be \$1-\$1.40 to save the businesses of dairymen in their area.

POPE PIUS ASKS DECENCY GROUPS FOR RADIO, TV

VATICAN CITY (AP) — Pope Pius XII in an encyclical letter to bishops of the Roman Catholic Church has called upon them to organize offices similar to the Legion of Decency to coordinate church activity in the fields of radio and television.

The Legion of Decency is concerned with motion pictures and their moral and religious problems. The letter, dated Sept. 8 and made public Wednesday said motion pictures, radio and television should be used for the material and spiritual improvement of men's lives.

"Gifts Of God"
Halling these "remarkable inventions," the 81-year-old Pope underlined that although they are results of men's ingenuity they are "nevertheless the gifts of God, our Creator."

The 6,000-word encyclical is the first to deal with radio and television.

It follows one issued by Pope Pius XI in 1936. The new encyclical, entitled from its first two Latin words—"miranda prorsus" (remarkable inventions)—emphasized that the Church especially considers these inventions her concern because of her duty of announcing the message of salvation to all men.

Great Advantages
From these "wonderful advances" of motion pictures, radio and television, he said, can come "great advantages," but "so, too, can very great dangers." The Pope said that in the past century frequently machines which "ought to serve men, when brought into use, rather reduced them to slavery and caused grievous harm."

"Likewise today," he said, "unless the mounting development of technical skill, applied to the dif-

Eisenhower Says Immigration Bill Is A "Disappointment"

By MARVIN L. ARROWSMITH
NEWPORT, R. I. (AP)—President Eisenhower Tuesday signed a hard-ship case immigration bill but called it "a disappointment in that it fails to deal with many serious inequities."

The measure the President approved at his vacation headquarters provides for admittance of up to about 70,000 aliens now barred from the United States. It falls far short of what he asked. Eisenhower, in a statement, urged that Congress give careful attention to more far-reaching revision of the immigration and nationality law when the lawmakers reconvene in January.

"This measure, while making improvements in present practices, is a disappointment in that it fails to deal with many serious inequities inherent in the Immigration and Nationality Act," Eisenhower said.

Ignores Suggestions
He added that the bill does not include many of the important changes which he recommended to Congress.

Eisenhower called it "particularly regrettable that the Congress did not provide a method whereby the thousands of brave and worthy Hungarian refugees who have suffered so much at the hands of communism might in the future acquire permanent residence, looking forward to citizenship."

The President said he also was disappointed that Congress did not provide for basing immigration quotas on the population census for 1950 instead of on the 1920 census as at present.

"There is also a serious omis-

sion in the legislation in that Congress has failed to legislate specific policies as to the future methods of admission into the United States of refugees and escapees from persecution and oppression," he added.

This was the first day since Eisenhower came to Newport a week ago that he did not make an early morning trip to the golf course. An overnight rain left the course soggy so the President passed up a round on the links and worked instead on correspondence at his temporary White House office at the naval base.

The President arranged a meeting with Secretary of Agriculture Benson who then will return to Washington from a speaking engagement at the military academy at West Point, N. Y.

During the morning the President talked by telephone with Atty. Gen. Brownell again regarding the Little Rock, Ark., school integration case.

James C. Hagerty, White House press secretary, said Brownell reported no change since the government moved Tuesday for an injunction.

Hagerty earlier had indicated that Eisenhower plans a policy of patient waiting in government efforts to resolve the Little Rock crisis.

Union Men To Hold Protest Meeting

PITTSBURGH (AP) — The Dues Protest Committee, formed by a dissident group within the United Steelworkers, will hold its first national conference here Friday and Saturday.

Nicholas Mamula, a committee officer, said Tuesday the conference is being called not to overthrow established unionism "but to enforce the codes of ethical practices on the lawless in the American union movement." He did not elaborate.

The Dues Protest Committee

was formed last fall after the USW international convention boosted dues from \$3 to \$5 monthly. It backed Donald C. Rarick of McKeesport in an unsuccessful campaign to defeat David J. Mc Donald's bid for re-election as president last February. Rarick will preside at the conference.

Court Denies Admittance Of 2 Negroes To Girard College

PHILADELPHIA (AP) — Orphan's Court has rejected the application of two Negro boys to Girard College and, at the same time, removed the Board of City Trusts as trustees of the private school.

The action came in the wake of a U.S. Supreme Court ruling which directed that Negroes cannot be barred from the school created under the will of Stephen Girard, colonial merchant and philanthropist, as long as it is administered by a public agency—the Board of City Trusts.

The nation's highest tribunal said refusal to admit Negroes—despite a stipulation by Girard that the school be established only for "poor, male white fatherless boys"—was in violation of the 14th Amendment to the U.S. Constitution.

Will Name Board

The Orphan's Court ruling stipulated that the Board of City Trusts will remain as trustee until the court names a substitute.

Applications for admission to the college had been made by William A. Foust and Robert Felder. They had been represented legally in their long fight to go to Girard by Atty. Raymond Pace Alexander, Negro city councilman.

The Supreme Court of Pennsylvania had upheld Girard's will, but the nation's highest tribunal overruled the state court on grounds that any agency administered by a governmental arm could not discriminate in regard to race or color.

May Protest Will

The U.S. Supreme Court directed the state court to take action in line with its decision. Today's ruling followed.

Lawyers close to the situation indicated that by removing the city agency, and substituting a private agency, the terms of the will cannot be upset.

Actually, however, Girard in his will stipulated that the board of City Trusts shall be the trustee of the college.

Thus the Orphan's Court chose to break the trustee portion of the will, rather than change the qualifications for admission.

It is expected that today's Orphan's Court ruling will be carried again to the U.S. Supreme Court for final determination on the constitutionality of the order.

PHILADELPHIA (AP) — Four houses, a service station and a barn were damaged by lightning Tuesday night during the severe storm that lashed Greater Philadelphia.

Up to 1.29 inches of rain fell during the six-hour rain. Enough soaked into the parched ground to be of some benefit to farmers.

A recent Japanese food fair in Manhattan featured one delectable if frightening dish—whole baby octopus in soy sauce.

SAYS SYRIA'S ACT HELPS REDS

BEIRUT, Lebanon (AP) — Usually reliable sources in Damascus said Wednesday Syria's public resistance organization was resuming "immediate operations."

The organization was set up during the Suez crisis last year to mobilize public forces and give civilians military training.

The Syrian government was said to have reactivated the program as a precautionary measure against what it described as "mounting U. S. anti-Syria aggressive intentions."

The Cabinet met in an urgent session Tuesday, but announced no decisions. Its session followed demands in the leftist press that the government order general mobilization, resume military training for civilians and declare martial law.
